

A close-up photograph of a hand in a dark suit jacket holding a sword with an ornate, engraved hilt. The sword is held horizontally across the frame. The background is dark and out of focus, showing what appears to be a large, curved structure, possibly part of a ship or a large building, with some light reflecting off its surface. The overall mood is dramatic and powerful.

Christian public educator and traveler to use his somewhat unique style and experiences to communicate to his graduating students and to anyone else who might come along for the ride. The wonders of a life-consuming relationship with God. Much of the content is also inspired by reflections on the sacrament of Communion and thus the book may be of interest to a broader audience than just to graduates embarking on the next stage of life. Part one of the book seeks to introduce the Christian faith to those who may be unfamiliar with the Gospel message that the Author and Creator of the Universe seeks communion or a personal relationship with anyone willing to embrace the death, resurrection, and Lordship of Jesus Christ in order to receive salvation from the consequences of disobedience to God. Part two encourages lifelong enrollment in the class of learning to be like Jesus Christ in preparation for becoming citizens of and for introducing others into the Kingdom of God. Finally, part three of *Let the Communion Commence* reflects on the ultimate commencement, the beginning of never-ending life in the presence of our Creator. Class is about to begin. Please join me. *Abba* Matthew L. Stevenson III, 2017-09-05. Your brokenness is the key to knowing God as Father. God has an identity. He does not want to be known as a higher power or confined to our limited understanding and judgment of Him. Those who want to know the name of God and most importantly want to know God as He desires to be known can discover Him as *Abba*. Matthew L. Stevenson III captures all the teachings of Jesus that demonstrated the Father. This book also highlights how aggressively Satan distorts the father role to fracture people's lives in the areas of Identity, Security, Failures, Confidence. *Abba* addresses the key to a more fulfilling worship life as well as understanding God's heart toward the fatherless. A revelation of the father heart of God is needed more now than ever.

Star-Spangled Jesus April Ajoy, 2024-10-01. A hilarious and eye-opening account of leaving Christian Nationalism behind to follow Jesus better. April Ajoy wouldn't have called herself a Christian Nationalist when she performed her original song *America Say Jesus* on the Jim Bakker show or when she participated in Jesus Marches across America or when she posted cringe-worthy videos on YouTube to campaign for Mitt Romney. April just considered herself a good Christian, faithful Republican, and determined to make America a Christian nation once again. But as her view of the world widened, Ajoy began to see cracks in her steadfast beliefs and recognized the ways her conservative politics and religion were intertwined in her mind. Did God really bless America? Is it actually by His red, white, and blue stripes that we are healed? Ajoy, content creator and podcast host, shares funny stories from her time deep within Christian nationalism, exploring how aspects of evangelical culture such as product boycotts, Satanic panic, and end-times theology have all been exploited to advance the Christian Nationalist narrative. She also illuminates the ways nationalist thinking has infiltrated our churches and political arenas, shaping not only modern evangelical culture but also American public policy and international relations. Part memoir, part guidebook, part call to action. *Star Spangled Jesus* explores how the fight to make America a Christian nation has damaged us all and shows how one woman left Christian Nationalism and why America should too. *Missionaries* Julian Pettifer, Richard Bradley, 1990.
