Pocket Interlinear Old Testament Jay P. Green (Sr., ed. & tr), 1987 The 1st Century Aramaic English Interlinear Bible-Pocket 6th edition Rev. David Bauscher, 2012-10-18 This is a translation of The Aramaic New Testament Aramaic was the language of Jesus and his countrymen of 1st century Israel in an interlinear word for word new translation of The Peshitta New Testament A translation of the Psalms Proverbs Ecclesiastes from the ancient Peshitta OT Version is included at the end Aramaic was used in Mel Gibson s film The Passion of the Christ to make the film as realistic and accurate as possible This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of Yeshua Jesus in ancient Aramaic as He originally spoke them in a literal and readable English rendering Every Aramaic word of the Peshitta is displayed in the elegant Levistam Hebrew Aramaic script with an English rendering to the left of each Aramaic word 4x7 pocket edition paperback *The Trouble with the Trinity* Carlos A. Pinkham, 2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God s Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author s

The Interlinear Literal Translation of the Hebrew Old Testament George Ricker Berry, 1897 **Dying to Tell You** Michael Hunter, 2021-11-19 Jesus tells us that if one desires to be his disciple they must deny himself and take up his cross and follow me Mark 8:34 But what does it mean to take up your cross and how can we do this The apostle Paul said that he desired to know nothing except Jesus Christ and him crucified 1 Corinthians 2:2 and elsewhere even claimed to have been crucified with Christ Galatians 2:20 How can one join Paul and know Jesus in his Crucifixion The answer is to take Jesus at his word From the cross Jesus spoke seven times These sayings summarize the gospel and explain how we can know him in his Crucifixion On the cross Jesus was literally Dying to Tell You how his death fulfilled God's eternal plan for our redemption Unlike other studies of the last sayings of Jesus from the cross Dying to Tell You takes a new approach and views the sayings together as a whole revealing how together they form the foundation to understanding the gospel of Jesus Originally motivated to seek a resolution to the dilemma of which saying is the last both Luke and John appear to report the last saying Dying to Tell You establishes a new order for the sayings based on a detailed examination and integration of the four Crucifixion narratives contained in the Gospels While each saying is individually examined rather than handling them as isolated statements Dying to Tell You demonstrates how these sayings comprise the final message of Jesus his sermon on the cross Along the way Dying to Tell You also provides assurance that the Bible can be trusted and is a historically accurate resource demonstrates that the cross is the centerpiece of redemptive history and illustrates how Jesus and the Crucifixion serve to fulfill the scriptures and provide for the salvation of mankind Dying to Tell You is nothing less than one disciple's spiritual awakening and quest to know Jesus Christ and him crucified through the sayings he made from the cross and gospel they proclaim **The Cumulative Book Index**, 1909 A world list of books in the English language [The United States](#)
