Marian Mass

Richard Bailey

Marian Mass:

The Slavic Letters of St. Jerome Julia Verkholantsev, 2014-09-30 The Slavic Letters of St Jerome is the first book length study of the medieval legend that Church Father and biblical translator St Jerome was a Slav who invented the Slavic Glagolitic alphabet and Roman Slavonic rite Julia Verkholantsev locates the roots of this belief among the Latin clergy in Dalmatia in the 13th century and describes in fascinating detail how Slavic leaders subsequently appropriated it to further their own political agendas The Slavic language written in Jerome s alphabet and endorsed by his authority gained the unique privilege in the Western Church of being the only language other than Latin Greek and Hebrew acceptable for use in the liturgy Such privilege confirmed repeatedly by the popes resulted in the creation of narratives about the distinguished historical mission of the Slavs and became a possible means for bridging the divide between the Orthodox and Catholic Churches in the Slavic speaking lands In the fourteenth century the legend spread from Dalmatia to Bohemia and Poland where Glagolitic monasteries were established to honor the Apostle of the Slavs Jerome and the rite and letters he created The myth of Jerome s apostolate among the Slavs gained many supporters among the learned and spread far and wide reaching Italy Spain Switzerland and England Grounded in extensive archival research Verkholantsev examines the sources and trajectory of the legend of Jerome s Slavic fellowship within a wider context of European historical and theological thought This unique volume will appeal to medievalists Slavicists scholars of religion those interested in saints cults and specialists of philology

The Church Music of Fifteenth-century Spain Kenneth Kreitner, 2004 He moves on from this to set Penalosa s work written in a more mature northern oriented style which influenced Iberian composers for generations after his death

BOOK JACKET [The History of Keyboard Music to 1700](#) Willi Apel, 1997 This classic work is a meticulous chronological survey of music for the keyboard from the earliest extant manuscripts of the 14th century to the end of the 17th Apel traces the evolution of keyboard instruments genres national schools and styles from Poland to Portugal and the oeuvre of many composers A monument of scholarship this indispensable reference work is also remarkably user friendly and engagingly written throughout

Contextualizing Miracles in the Christian West, 1100-1500 Matthew M. Mesley, Louise E. Wilson, 2014-12-01 This volume brings together innovative research on miracles in the Christian West 1100 1500 and includes chapters on Anglo Norman saints cults late medieval Portugal and the legacy of medieval hagiography in the immediate Post Reformation period Contributors investigate miracle narratives in conjunction with broader socio cultural ideals practices and developments in medieval society They also reassess the legacy of Peter Brown challenge established dichotomies such as medicine and religion and examine relics lay beliefs and the liturgical evidence of a saint s cult moving beyond the traditional focus on canonization Medical history features prominently alongside other approaches these clarify the contexts of our sources and demonstrate the methodological vibrancy in this field

Guillaume de Machaut and Reims Anne Walters Robertson, 2002-09-26 Table of contents

The Masses and Motets of William Byrd Joseph

Kerman, Professor of Music Joseph Kerman, 1981-01-01 In this the first of a three volume study of Byrd's complete output under the general title *The Music of William Byrd* the author essays a first full scale historical and critical assessment of Byrd's sacred music to Latin words one of the great glories of the Elizabethan Age Each of the approximately 175 compositions is considered at least briefly with fuller appreciation accorded to such masterpieces as *Emendemus in Melius Tristitia et anxietas Iusorum animae Ave verum corpus* the lamentations and the three famous masses There are more than sixty musical examples some of considerable length In critical prose that slights neither technicalities nor the intense emotional qualities of his subject matter the author sheds fresh and often unexpected illumination on Byrd's musical rhetoric and on his powerful endlessly inventive musical structures Re-examining the known facts of Byrd's life in relation to the patronage and politics of the time the author boldly argues that while the impetus behind Byrd's early motets was primarily traditionalist and technical that behind his *Cantiones sacrae* motets of the 1580s was essentially political they were covert laments and protests on behalf of the embattled recusant community

Patterson's American Education Homer L. Patterson, 1904 The most current information on United States secondary schools both public and private in a quick easy to use format

French Music in the Early Sixteenth Century Peter Woetmann Christoffersen, 1994 A description reconstruction and discussion of the repertory of an exceptional musical source the French manuscript made at Lyons c 1520 1525 as the private collection of a music copyist The book contains 280 compositions sacred and secular from the period 1450 1524 with Loyset Comp re Alexander Agricola Antoine de Favin Claudin de Sermisy and Clement Janequin as the prominent composers Besides discussing the many faceted repertory the book studies the circulation of music in the early sixteenth century and the relationships between popular songs and courtly chansons and between provincial music and the music of the musical centres The manuscript has been in the Royal Library of Copenhagen since 1921 This is the first comprehensive study of it

The Liturgy Documents, Volume Two Rev. Michael S. Driscoll, Rev. Msgr. Richard B. Hilgartner, Maureen A. Kelly, Rev. John Thomas Lane, sss, Rev. James Presta, Corinna Laughlin, Jim Schellman, D. Todd Williamson, Rev. Paul Turner, Catherine Combiere-Donovan, Diana Macalintal, Sr. Genevieve, 2012 This pastoral resource assembles in one convenient volume the essential and current liturgical documents needed to prepare and learn about liturgical celebrations for Sunday Pastoral overviews explain the theology purpose and authority of each of the included documents
