## **Reckless Mind:**

The Reckless Mind Mark Lilla,2001 This text is a study of how a number of important 20th century European intellectuals came to support tyrannical regimes and totalitarian political ideas

*Reckless Mind* Christopher M. Henry,2012-10 Author of *In These Eyes* this man pieces together a book from a mind filled with musical lyrics through inner life experiences It s poetry revised at its best You ll read what some think but wouldn t dare say You might even get a laugh with his sarcastic sense of humor It s a view of life written out to be a work of art A Perfect Book to Muse Your Mind

Mind's Journey Deepak Chalise,2012-02-06 This Minds Journey is my second book in poetry In this writing I have tried to let fly the mind wherever it tends to travel through the help of knowledge Woven interestingly covering many aspects of lives including the activities of natural phenomena as well I have inserted flow of the writings in a way to bathe in the realm of poems Feelings and events converged in it are solely art of the beautiful heart which can dramatize the wave lengths of humans intention Beyond imagination in this book I have penned facts and effects of the society of the human behaviors And many urges have done with human beings to reform it

Experiences in Reality GC Bryant,2013-03-13 My name is Georgia known as Sista My hometown is Augusta Georgia a private person is how I choose to be I have a family of three plus me My writings are a blessing from God who I have dedicated my life to serve I pray you are given the vision to see some of my experiences through words My poetic poems are my way of communicating some of the obstacles I have faced instead of a long writing about me I prefer hearing about your obstacles while journeying this race My journey has not been easy but I know I m not alone God before me and encouraging friends my journey has been strong Mr Tyrone Russell the only best male friend of mines felt something in reading my poems supported and invested his time Ms Helen Alexander is like a sister to me she also felt these were poems that the world should see God Bless

**Brown Skin, White Masks** Hamid Dabashi,2011-01-06 This book is a critical examination of the role that immigrant intellectuals play in facilitating the global domination of American imperialism In his pioneering book about the relationship between race and colonialism *Black Skin White Masks* Frantz Fanon explored the traumatic consequences of the sense of inferiority that colonised people felt *Brown Skin White Masks* picks up where Fanon left off and extends Fanon s insights as they apply to today s world Dabashi shows how intellectuals who migrate to the West are often used by the imperial powers to misrepresent their home countries Just as many Iraqi exiles were used to justify the invasion of Iraq Dabashi demonstrates that this is a common phenomenon and examines why and how so many immigrant intellectuals help to sustain imperialism
