Reclaiming Our Future:

Reclaiming Your Time Prince Penman, Are you constantly feeling overwhelmed behind schedule or struggling to balance work and life Reclaiming Your Time Time Management for Success is your essential guide to mastering productivity prioritizing what truly matters and creating a life of efficiency and balance In this powerful guide you ll learn How to identify time wasting habits and eliminate distractions Proven strategies for prioritizing tasks and working smarter not harder Effective goal setting techniques to stay focused and motivated How to beat procrastination and overcome mental roadblocks The secrets of highly productive people and how to apply them to your life How to establish daily routines that maximize productivity and minimize stress Techniques for work life balance so you can achieve success without burnout Whether you re an entrepreneur student busy professional or someone simply looking to make the most of your time this book provides practical tools and actionable strategies to help you take control of your schedule and accomplish your goals with confidence It s time to stop feeling overwhelmed and start reclaiming your time *Reclaiming Your Future* Kendall Johnson,1992-09 This is a self help book for those going through a Twelve Step addiction recovery program Readers are encouraged to go beyond the Twelve Steps and uncover the past sources of their addictive behaviour **Reclaiming Our Brains Without Losing Our Minds** Inga Wiehl,2013-11-13 Reclaiming Our Brains without Losing Our Minds relates the story of a group of women in the mid sized town of Yakima Washington who form a reading group in dedicated pursuit of the best that has been thought and said in literature Over the course of twenty nine years the women hone their minds exchange ideas and discover a sense of closeness and community that extends beyond the page Featuring detailed accounts of the recruitment process strategies for meetings and the methods of choosing the featured texts this book is a vital tool for anyone interested in starting a reading group or rekindling a love of literature Reclaiming Your Community Majora Carter,2022-02 Majora Carter shows how brain drain cripples low status communities and maps out a development strategy focused on talent retention to help them break out of economic stagnation My musical In the Heights explores issues of community gentrification identity and home and the question Are happy endings only ones that involve getting out of your neighborhood to achieve your dreams In her refreshing new book Majora Carter writes about these issues with great insight and clarity asking us to re examine our notions of what community development is and how we invest in the futures of our hometowns This is an exciting conversation worth joining Lin Manuel Miranda How can we solve the problem of persistent poverty in low status communities Majora Carter argues that these areas need a talent retention strategy just like the ones companies have Retaining homegrown talent is a critical part of creating a strong local economy that can resist gentrification But too many people born in low status communities measure their success by how far away from them they can get Carter who could have been one of them returned to the South Bronx and devised a development strategy rooted in the conviction that these communities have the resources within themselves to succeed She advocates measures such as Building mixed income

instead of exclusively low income housing to create a diverse and robust economic ecosystem Showing homeowners how to maximize the long term value of their property so they won't succumb to quick cash offers from speculators Keeping people and dollars in the community by developing vibrant third spaces restaurants bookstores and places like Carter's own Boogie Down Grind Cafe This is a profoundly personal book Carter writes about her brother's murder how turning a local dumping ground into an award winning park opened her eyes to the hidden potential in her community her struggles as a woman of color confronting the male and pale real estate and nonprofit establishments and much more It is a powerful rethinking of poverty economic development and the meaning of success

Reclaiming Our Food Tanya Denckla Cobb, 2011-01-01 From Community GroundWorks in Madison Wisconsin to Greensgrow Farm in eastern Philadelphia readers will learn about the motivating vision and people behind each organization They will also find advice and guidance on everyday issues such as distribution working with at risk populations fostering community providing therapeutic assistance and building the infrastructure to maintain new initiatives
