Recovering Rude:

Recovering Rude Rana Bose, 2000 Rana Bose's first novel begins in a comfortable Calcutta neighbourhood where the sons and daughters of the well to do have perfected the art of transforming themselves into street urchins After school and at night mostly on the threshold of adolescence they eagerly mix with fascinating visitors from the edge of town who carry the seeds of Calcutta's legendary social unrest Their political activity takes place in the carnival atmosphere of the city's streets and markets until a bloody political clash turns them into adults before their time And while they inevitably grow up and grow apart their lives remain inextricably linked by the carnage and cover up they were powerless to do anything but witness Rude a young rebel with a cause keeps a diary which is confiscated by a corrupt anti terrorist police officer Twenty years later Nina who might have loved Rude decides at all costs to recover the diary and the history that was stolen from them Set mainly in Calcutta Houston and briefly in Montreal Rana Bose deftly introduces us to a cast of characters who bristle with life Humour and despair intertwine like strands of DNA until the human condition is laid bare and recovery is finally complete
