Interpreting Historic House Museums Jessica Foy Donnelly,2002-11-23 Times are changing at historic house museums and no one is more aware of this than the fourteen contributors to Interpreting Historic House Museums These respected museum professionals consider the history of house museums and the need to look at familiar issues from new perspectives and using new methods If your site isn't using a comprehensive interpretive plan how can you create one While doing so how do you address contemporary issues like race and gender Don't forget the physical either does your property need a landscape plan as well as a furnishings plan And when your visitors arrive to see all your hard work how accessible is your property If the answer is not very what can and should you be doing to address that Once inside how good are your tours and guides and does your furnishings plan allow visitors to maximize their experiences in areas without guides Interpreting Historic House Museums captures the big picture and the important details Its discussion of contemporary issues and successful programs its practical guidelines and information up to date references and lively illustrations will make it useful and relevant for both students and practicing professionals Historic House Museums Sherry

Butcher-Youngmans,1996-02-08 Historic house museums can be found in nearly every city in the United States and Canada These are the homes of the earliest settlers statesmen frontiersmen great writers artists architects and industrial magnates These are the places carefully saved and preserved that represent a cultural heritage Despite their popularity it is not uncommon to find museums that are in poor repair their collections neglected and their staffs grossly overworked Many are run by well meaning and hard working volunteers who have little or no professional training Often they survive on shoestring budgets and are able to present only limited programs Serving both as a hands on guide and reference this book examines these problems offering practical advice and solutions which can be easily implemented Its useful lessons include governance where to find help care of collections conservation security and interpretation all designed to increase the professionalism of the historic house museum *Resources for Interpreters* ,1982 **Decorating Old House Interiors** Lawrence
