The Red Rover: Origins C.E. Whitaker III,2019-05-21 Humanity has always possessed a fascination with the unknown More specifically the universe In the case of thirteen year old ORION MOORE it literally was all he had ever known Since birth Orion has lived amongst a group of over five hundred Earthlings on the Rover Base Alpha a gigantic space station that left the Earth decades prior in search of a new home In a matter of weeks the Base s leadership put a plan into action that would send their Rover teams to foreign galaxies in hopes of securing a planet suitable for colonization At the same time Orion and his fellow classmates were expected to begin their exploration training an intense military program designed to take them from neophytes to cadets Sent away on the Red Rover it was during this training exercise that these young people would learn the survival skills needed to cope with the harsh conditions that many of the uncharted worlds in the galaxy already possessed Unbeknownst to Orion and his friends their lives were about to be irrevocably changed forever forcing them to band together in an epic adventure for survival For them this was only the beginning Some say that destiny cannot exist without a journey and for the members of the Red Rover they re about to see exactly how prophetic that statement really was

Dictionary of American Naval Fighting Ships: Historical sketches James L.
