Irreconcilable Differences? A Learning Resource For Jews And Christians David Sandmel, Rosann M. Catalano, Christopher M. Leighton, 2018-03-08 Written by Jewish and Christian educators for use by college and adult learners this volume explores eight basic questions that lie at the core of both traditions and that can serve as a bridge for understanding Among the questions are Do Jews and Christians worship the same God Do Jews and Christians read the Bible the same way What is the place of the land of Israel for Jews and Christians Are the irreconcilable differences between Christians and Jews a blessing a curse or both Each chapter includes discussion questions Reconcilable Differences Jim A. Talley, 1991 Reconcilable Differences shows why reconciliation is worth the effort and provides practical biblical advice on how to resolve conflicts and develop relationships based on mutual love respect and trust Reconcilable Differences Workbook Jim A. Talley, 2016-12-27 It is possible for a couple whose marriage is in serious trouble or a couple who is already divorced to restore harmony and even love to their relationship Jim Talley knows it is and Reconcilable Differences shows why reconciliation is worth the effort This book provides practical biblical advice on how to resolve conflicts and develop a relationship based on mutual love respect and trust This book is an excellent companion to the lively and fun live recording of the Reconcilable Differences conference hosted by Dr Talley find the album on Amazon **Too Close Too Soon** Jim Talley, Bobbie Reed, 1994-08-26 Jim Talley and Bobbie Reed outline simple yet effective methods of building quality relationships while curtailing premature intimacy in this plain spoken and experience tested manual A study guide at the end of the book features discussion questions and creative assignments for each chapter Previous edition 0840730454 Too Close Too Soon Jim A. Talley, Bobbie Reed, **SCM Studyguide: Church Leadership** Jon Coutts, 2019-04-30 It is increasingly being acknowledged that current generation of church leaders are inundated with well intentioned but nonetheless economically defined leadership measures and strategies which threaten to corrupt the basic thrust of ministry and pervert the common life known as church Reflecting theologically on the nature of leadership at the same time as considering the reality of its practicalities this Study Guide seeks to call it back to theological essentials locate it in the unique context of the Church and then re address modern pressures and needs from within a decidedly Christian framework Resisting the urge to instruct with a more polemical voice the SCM Studyguide to Church Leadership will encourage ordinands and trainee church leaders to reassess modern pressures and priorities and to re orient creatively around the callings giftings and approaches that are suitable to Christ and particular to the Church Reconcilable Differences Jim A. Talley, Leslie H. Stobbe, 1985 The Body, with Study Guide Charles Colson, 1996-05 In this watershed book Charles Colson castigates today's consumer oriented McChurch mentality that has Christians flitting from church to church in search of soothing sermons and a feel good gospel **BRIDGING THE CHASM** Geoffrey W. Sutton, 2025-11-04 Bridging the Chasm Christianity Psychology and LGBTQIA Inclusion explores the deep divide between mainstream psychological science and

many Christian communities regarding LGBTQIA dignity and inclusion Through an interdisciplinary lens the book examines theological biblical moral and clinical tensions offering readers a comparative framework that respects diverse convictions while affirming evidence based care Unlike memoirs or narrowly focused theological works this book integrates biblical studies psychological models including SCOPES and Moral Foundations Theory and global research on sexuality gender and mental health It equips graduate students clinicians clergy and educators to navigate complex ethical terrain with clarity and compassion Chapters cover foundational terminology divergent scriptural interpretations and the lived experiences of LGBTQIA individuals including those who are transgender non binary and intersex The book also investigates how moral reasoning and cognitive biases shape biblical interpretation and how psychological science can inform pastoral care and clinical practice Rather than prescribing a single theological stance Bridging the Chasm presents conservative progressive and scientific perspectives side by side It challenges exclusionary theology critiques harmful practices and invites readers into respectful dialogue The final chapters reflect on whether integration between faith and science is possible or whether mutual accommodation is a more realistic goal This is a resource for those committed to human dignity intellectual humility and courageous compassion Whether you re a student practitioner or curious believer Bridging the Chasm offers tools to engage one of the most pressing ethical conversations of our time
