## **Red River Story:**

*Red River Story* Alfred Silver, 2019      *The Story of the Prairies* Daniel Everett Willard, 1907      *The Origin Story of Fort Road/West Seventh Street, the Township/City of Saint Paul, the Territory/State of Minnesota: Glacial Age Forward* Joseph Landsberger, 2025-08-01

The relationship of a people to the lands where they live is crucial for understanding their history and culture. From Bdote to Imnizha ska from Fort Snelling to Seven Corners the West End in Saint Paul Minnesota has had a complex geologic and demographic history. These origins elucidate settlement patterns beginning with Native peoples particularly the eastern Dakota. Successive evolution dates from extractive European colonialism beginning with French explorers, traders, and missionaries. However, a m tis population is soon displaced by East Coast claimants and speculators following acquisition of Native lands. With the opening of those lands to settlement, early working class European settler immigrants from Bavaria, Bohemia, and Baden W rtemberg drained swamps and cleared the Big Woods who worked and built who organized and socialized. Successive waves included Italians, Irish, Blacks, Jews, et al. They built what has become the oldest housing stock and commercial strip of the State of Minnesota. Fast forward to post World War II times, the stresses of these same inner city neighborhoods are reclaimed by a dynamic activist group of neighbors who resist urban renewal plans. While neighborhoods from east to west from Irvine Park to Kipp's Glenn were saved, historic sites including the Schmidt Brewery complex and Czech and Slovak hall achieved national historic prominence, parks, community centers, schools, churches, streetscapes were restored, often in response to destructive efforts that diminished not only their cultural importance but also environmental as relates to the Mississippi River, its bluffs and terraces.

*The Story of the United States Navy* Benson John Lossing, 1880      *The Story of the Flickertail State* William Marks Wemett, 1923      *Canadian Spy Story* David A. Wilson, 2022-06-15

In the mid nineteenth century a group of Irish revolutionaries known as the Fenians set out to destroy Britain's North American empire. Between 1866 and 1871 they launched a series of armed raids into Canadian territory. In *Canadian Spy Story* David Wilson takes readers into a dark and dangerous world of betrayal and deception, spies and informers, invasion and assassination spanning Canada, the United States, Ireland, and Britain. In Canada there were Fenian secret societies in urban areas including Quebec City, Montreal, Ottawa, and Toronto, and in some rural townships all part of a wider North American network. Wilson tells the tale of Irishmen who attempted to liberate their country from British rule and the Canadian secret police who infiltrated their revolutionary cells and worked their way to the top of the organization. With surprises at every turn, the story includes a sex scandal that nearly brought Canadian spy operations crashing down, as well as reports from Toronto about a plot to assassinate Queen Victoria. Featuring a cast of idealists, patriots, cynics, manipulators, and liars, *Canadian Spy Story* raises fundamental questions about state security and civil liberty with important lessons for our own time.

*The Story of New Mexico* Horatio Oliver Ladd, 1891. Presented here is an in depth explanation of the history of New Mexico and the surrounding regions from the Spanish discoveries beginning in 1536.

to the claims of American statehood up until 1890
