Chapter 1: Introduction to SEO

What is SEO?

"Welcome to our first lesson in the 'SEO for Beginners' course. In this, you'll learn the basics of SEO, including how search engines work, how to find keywords, and how to optimize your website. SEO is the art and science of making your website more visible to search engines like Google and Bing. But why is this visibility important? Simply put, the better your site ranks on these engines, the more likely people are to find it when they're searching for information related to your business or services."

Importance of SEO in Digital Marketing
