New Trends In Commercial Spaces:

New Trends in Commercial Spaces Carles Broto, 2005 Architecturally successful public spaces fulfill a dual task they make their identity representative which at times is to entertain and please the user and they offer the visitor a rapid and clear reading of their functions and services This is of particular importance with hotels restaurants shopping malls supermarkets cinemas and theatres which despite their great typological diversity must respond to both premises This brilliant publication presents an array of superbly designed public and commercial spaces where people undertake a range of activities from the deeply serious to the light and playful Those that also involve a business activity of commercial exchange present elements of functionality that are strongly impregnated with creative expression *New Trends In Commercial Spaces*, 2005
