Financial Straight Talk Dee Mosier, 2010-09-07 Your 1 goal should be to have money for retirement We all want the finer things in life we are a society obsessed with instant gratification However all of your decisions the financial ones at least should be primarily based on both your future and your retirement With this as an overall theme this book will walk you down the road to retirement providing you with options and choices that are most appropriate for your particular situation No one said the road would be easy but do not worry we will face those speed bumps head on and we will do it together The best time to start planning for retirement is now A significant change in the last 20 years is the position of global investments In 1990 75 percent of investment opportunities were in the United States and 25 percent in other places around the world Currently it is almost the opposite with about 75 percent of the opportunities outside the United States The U S is still the 1 financial leader in the world Japan is 2 In 2010 China overtook Germany to become 3 We need to recognize that other countries are maturing and we want to make sure you have considered all investment opportunities that exist By the end of this book you will be comfortable enough to make your own decisions regarding your investments If you are not it will allow you to be comfortable asking any financial consultant the right questions This book is about giving you new tools So we brought in Morningstar to enable you to evaluate your options and introduced a global perspective to help you maximize potential returns Think of it this way if this were your favorite coffee blend with all the right ingredients you would want a refill

The Career Chronicles Mike Gregory, 2010-11-17 In this nuts and bolts guide over 750 professionals speak candidly about the good the bad and the ugly of two dozen popular professions Dispensing with romantic fantasies real world professionals from nurses and pharmacists to architects and attorneys speak about the day to day realities of their careers in six categories College vs Reality The Biggest Surprise Hours and Advancement The Best and the Worst Changes in the Profession Would You Do It All Over Again Chapters include overviews of each profession followed by helpful information about education testing and registration and licensing requirements the number of positions across the country and the average starting or median annual salaries This valuable resource is filled with the open personal insights and observations most students and career changers want and need to make informed decisions about what they will do with the rest of their lives
