## **Roman Hostage:**

Roman Hostage Vivian Schurfranz, 1975-01-01 Unable to adjust to his life as a hostage in Constantinople Ruric a young Visigoth escapes back to his tribe and participates in the battle that brought a major victory to his people Hostages and Hostage-Taking in the Roman Empire Joel Allen, 2006-05-08 This 2006 book examines hostage taking in ancient Rome which was a standard practice of international diplomacy Hundreds of foreign hostages typically adolescents were detained as the empire grew in the Republic and early Principate **The Etruscan Princess: The Covert Crown -- A Novel of the Early Roman Republic**, 2026-01-18 A Roman commander An Etruscan princess Forbidden love in the shadow of Rome's rise She has always known she was different shy thoughtful and torn between her Plebeian roots and whispers of an ancient secret that her family refuses to speak of But when an unexpected tragedy thrusts her into the dangerous political world of the Early Roman Republic she faces truths that will alter the course of her life and Rome's history forever As secrets unravel and alliances shift her quiet sheltered life spirals into a deadly game of power survival and suppressed legacies Confronting a figure whose ambitions and reputation challenge both her principles and Rome's fragile balance of power she uncovers the truth about her ancestry In a society rife with betrayal and shifting loyalties she must decide whether she can claim the covert crown and fulfill a legacy she never knew was hers *Chronicles of Livius Book 1* A reinterpretation drawn from the semi-legendary accounts in Livy's Histories written during the reign of Augustus **Heroines of Greek and Roman Myth** Maxwell Teitel Paule, 2026-01-05 This volume offers students a fresh approach to reading Latin through the lens of women's stories in classical myth Too often the myths encountered in Latin classrooms center on men while women are pushed to the margins or depicted primarily as victims of violence This reader deliberately shifts focus presenting narratives of nine heroines without requiring students to navigate accounts of sexual assault an important consideration when the challenge of mastering Latin syntax is already demanding The stories carefully adapted from ancient sources progress in grammatical and stylistic difficulty beginning with accessible prose and gradually building toward the complexity of authentic classical Latin Drawing on Dickinson College's Latin Core Vocabulary the book ensures that learners are practicing the most useful words while less common terms are glossed in line to promote fluid reading rather than constant translation Designed for students completing an introductory Latin sequence or beginning an intermediate course the volume reinforces core grammar through repeated exposure while introducing more authentic word order and stylistic patterns in later chapters Both practical and engaging this book smooths the transition from textbook Latin to unadapted texts making the voices of classical heroines central to the learning experience *Rome, Parthia, and the Politics of Peace* Jason M. Schlude, 2020-01-13 This volume offers an informed survey of the problematic relationship between the ancient empires of Rome and Parthia from c 96-95 BCE to 224 CE Schlude explores the rhythms of this relationship and invites its readers to reconsider the past and our relationship with it Some have looked to this confrontation to help explain the roots of the long-lived conflict between the

West and the Middle East It is a reading symptomatic of most scholarship on the subject which emphasizes fundamental incompatibility and bellicosity in Roman Parthian relations Rather than focusing on the relationship as a series of conflicts Rome Parthia and the Politics of Peace responds to this common misconception by highlighting instead the more cooperative elements in the relationship and shows how a reconciliation of these two perspectives is possible There was in fact a cyclical pattern in the Roman Parthian interaction where a reality of peace and collaboration became overshadowed by images of aggressive posturing projected by powerful Roman statesmen and emperors for a domestic population conditioned to expect conflict The result was the eventual realization of these images by later Roman opportunists who unsatisfied with imagined war sought active conflict with Parthia Rome Parthia and the Politics of Peace is a fascinating new study of these two superpowers that will be of interest not only to students of Rome and the Near East but also to anyone with an interest in diplomatic relations and conflict in the ancient world and today *Arsacids, Romans and Local Elites* Jason

Schlude, Benjamin Rubin, 2017-04-30 For almost 500 years 247 BCE 224 CE the Arsacid kings of Parthia ruled over a vast multicultural empire which encompassed much of central Asia and the Near East The inhabitants of this empire included a complex patchwork of Hellenized Greek speaking elites Iranian nobility and semi nomadic Asian tribesman all of whom had their own competing cultural and economic interests Ruling over such a diverse group of subjects required a strong military and careful diplomacy on the part of the Arsacids who faced the added challenge of competing with the Roman empire for control of the Near East This collection of new papers examines the cross cultural interactions among the Arsacids Romans and local elites from a variety of scholarly perspectives Contributors include experts in the fields of ancient history archaeology classics Near Eastern studies and art history all of whom participated in a multiyear panel at the annual conference of the American Schools of Oriental Research between 2012 and 2014 The seven chapters investigate different aspects of war diplomacy trade and artistic production as mechanisms of cross cultural communication and exchange in the Parthian empire *Arsacids Romans and Local Elites* will prove significant for those interested in the legacy of Hellenistic and Achaemenid art and ideology in the Parthian empire the sometimes under appreciated role of diplomacy in creating and maintaining peace in the ancient Middle East and the importance of local dynasts in kingdoms like Judaea Osrhoene and Hatra in shaping the geopolitical landscape of the Near East alongside the imperial powerhouses of Rome and Parthia

*The Individual in International Law* Anne Peters, Tom Sparks, 2024 *The Individual in International Law* collects the work of esteemed scholars to examine the effects of humanisation on international law and how individual status rights and obligations have changed the international legal system throughout history and into the present day *Rome and the Friendly King (Routledge Revivals)* David Braund, 2014-04-08 *Rome and the Friendly King* first published in 1984 offers a functional definition of what is usually called client kingship to show what a client king or friendly king to use the Roman term was in practice Each aspect of this complex role is examined over a period of six centuries the making of a king

exposure to Roman institutions and individuals formal recognition as a friendly ruler Professor Braund shows how the king's power related to Roman authority and to his subjects The role of Romans in royal wills principally as recipients of bequests is also examined and it is also shown how some kings were assimilated completely into Roman society to become senators in their own right In conclusion Professor Braund considers the ways in which both sides benefited from client kingship and in doing so helps to explain the persistent use of such relationships throughout history

**History of Rome, and of the Roman People** Victor Duruy, 1883 *History of Rome, and of the Roman People, from Its Origin to the Establishment of the Christian Empire* Victor Duruy, 1887 **A Brief History of Greece and Rome** Edward Charles Everard Owen, 1913 The Jews Among the Greeks and Romans Max Radin, 1916 **Italy and Her Invaders: The imperial restoration, 535-553.** 1885 Thomas Hodgkin, 1885 *Italy and Her Invaders: The imperial restoration, 535 -553* Thomas Hodgkin, 1896 **Greek Life and Thought from the Death of Alexander to the Roman Conquest** John Pentland Mahaffy, 1896 **A New Classical Dictionary of Greek and Roman Biography Mythology and Geography Partly Based Upon the Dictionary of Greek and Roman Biography and Mythology** William Smith, 1878 *In the Time of Attila* Francis Rolt-Wheeler, 1928 Roman History Livy, 1898 The Chicago Schools Journal ,1930 *Italy and Her Invaders: The imperial restoration, 535-553.* 1896 Thomas Hodgkin, 1896
