G. Grover,2013-11 These are mostly true tales of me wreaking havoc on those around me for the amusement of myself and others I started as a preschooler getting into mischief out of pure boredom usually at school It continued through grade school junior high high school the military college my first job My very first booby trap was balancing a teddy bear on top of my slightly open bedroom door to fall on the head of anyone who entered I only wish that I hadn t forgotten something and ran back in there and I REALLY wished that I hadn t use the heavy teddy bear with the really hard music box I was probably three years old My second booby trap and the most infamous within our family utilized a battery powered motorized futuristic toy assault vehicle It was silver sleek aerodynamic made of metal and had sharp edges and bright lead based paint It had six giant wheels with knobby tires The body would pivot 180 degrees while rolling in one direction and the side gunner s door would snap open and sparks would fly and a red light would flash as the toy Space Marine mowed down imaginary space monsters I was almost 4 years old I used the round posts on my bed as a series of pulleys around which I wrapped yarn to ensure the proper directional pull on the ON switch so when my mother opened the door to my room the yarn pulled the switch on the mechanical death machine and it rolled out from under the bed spun around as the side door flipped open and a gunner with dual laser cannons began to lay down cover fire toward the door of my room I m not sure if my mother had learned to levitate or if she had previously been bitten by a radio active spider but by the time I awoke from a deep slumber the hysterical screaming had stopped and she was gracefully yeah right returning to earth pointing frantically and speaking in tongues I must be gifted because I clearly heard Would you please

turn off your wake up alarm I think my mother may have been surprised It s almost always best to be nice to people however sometime you just HAVE to shake up your buddy s beer before you hand it to him I hope you enjoy reading these tales as much as I enjoyed remembering them and writing them down Prank Academy Clint Hammerstrike,2020-06-15 From the author of Amazon Bestseller Would You Rather Randoms comes a brand new series PRANK ACADEMY Welcome to Prank Academy the school for practical jokers I am your Headmaster Clint Hammerstrike and I will be teaching you how to pull hilarious pranks on your unsuspecting friends and family In this book you will learn how to create mischief make people laugh and create fantastic surprises Prank Academy is packed full of hilarious practical jokes broken down into three categories Easy Entertainment Medium Mischief and Hilariously Hard With a wide range of pranks there should be a prank to catch anyone out The pranks in this book are suitable for children of all ages and has advisory labels for pranks where Adult supervision may be required This book is the perfect gift for boys or gift for girls who love practical joke sets magic tricks and pulling off super cool pranks on their friends and family Prank Academy is an activity book for boys and girls of all ages that will bring smiles and laughter into any home If you are looking for a joke book for kids look no further With this book in hand you could be a youtube sensation in weeks If you are looking the perfect prank filled stocking fillers look no further *Crazy Book of Practical Jokes* Glen Singleton,Hinkler Books Pty, Limited,2003 **The Weirdest, Wackiest, Craziest Practical Joke Book in the Universe** Laura Messerly,1991 **World's Greatest Practical Jokes** Dian G.
