Koehling,2015-08-11 You haven t gotten yourself a R107 yet Too bad the good ones can cost a small fortune today and they have only one way to go UP But don t worry plenty of them have been built and plenty of them are still around Problem is which one is the right one for you Can you imagine that even a low mileage good looking R107 can still far exceed your wildest imaginations when it comes to restoration costs Everybody seems to want a late model 560SL Why not an early 450SL for half the money The joy and pride of ownership is the same trust me Or how about one of the former longtime underdogs an SLC Also they start to appreciate a few of them even very fast faster than a mint 560SL If any of this is of interest then this new book published already earlier
