Cougar Tracks Paul Lederer, 2014-12-30 To avenge his beloved an old tracker comes out of retirement After years fighting the Apache for the United States Army Carroll Cougar builds a cabin in the heart of the Texas prairie When a local rancher tries to take it away from him Cougar takes a stand waiting in the trees when the rancher and his son come to attack With a few shots from his 56 Spencer he defends his property believing that peace is his at last But another disturbance soon follows from a completely unexpected source An old army buddy reaches Cougar with a letter from President Grant begging the tracker to join up for one last mission It isn't the president's name that convinces him it's the name of the target Solon Reineke the gunman who murdered the only woman Cougar ever loved For the sake of vengeance he will pick up the trail one last time even if it means never knowing peace again
