Organize, Design,
and Make Group Quilts*

QUILTING TOGETHER

Paula Nadelstern

Lynnell Hancock

The group quilt—one designed and executed by several people but united by a single theme or purpose—is a traditional American craft that has recently been rediscovered. *Quilting Together* is a complete how-to guide for the group quilter, covering every aspect of quilt-making from conception and design to care and storage. Packed with full-color photographs, it is also a celebration of a beautiful and varied art form, one that accommodates both individual creativity and group cooperation, spontaneity and careful planning.

Quilting Together begins with a gallery of American quilts, from antique to contemporary. There are examples of medallion quilts, commemorative quilts, pictorial quilts, contest quilts, peace quilts, and children's quilts—all magnificently reproduced in color and accompanied by detailed photographs that show the exquisite workmanship.

Then on to the practical instructions. *Quilting Together* offers complete design guidelines: picking an appropriate theme and size, setting a time frame, the basics of designing with fabric, designing the base block, arranging the blocks, and designing the sashing and borders. Sewing instructions are basic enough for even the beginner: working with fabric and trimmings, tools of the

trade, making an appliqué base block, embroidery stitches, finishing the block, and making sashes and borders. Finally, there's everything you need to know about quilting: special tools, quilting frames and hoops, bating, quilting patterns, and a discussion of hand-quilting versus machine-quilting.

But there's much more to *Quilting Together* than clear, comprehensive instructions. Paula Nadelstern explains how to organize a group quilt: how to generate enthusiasm and channel it into fabric, how to plan meetings and maintain a schedule, how to organize a quilt by mail, and how to quilt with children. There is a wealth of resource information from storage and care instructions to sample organizational letters and suggestions for further reading.

Written in an accessible and supportive style, this is a complete course in quilting. Armed with *Quilting Together*, any group of committed quilters can create a unique piece of genuine Americana.

PAULA NADELSTERN was the New York State winner of the 1986 Great American Quilt Contest. Her quilts have appeared in *Quilters Newsletter Magazine*, *Ladies Circle Patchwork Quilt*, and *Quilt Magazine*, and she is currently designing contemporary patchwork for Liberty of London.

LYNNELL HANCOCK has written extensively on a variety of topics. Her articles on education have appeared in the *Village Voice*.
