## **R E M:**

*The Name of This Band Is R.E.M.* Peter Ames Carlin, 2025-11-04 THE NEW YORK TIMES BOOK REVIEW EDITORS CHOICE An electrifying cultural biography of the greatest and last American rock band of the millennium whose music ignited a generation and reasserted the power of rock and roll Carlin's unique gift for capturing the sweep and tenor of a cultural moment is here on brilliant display Michael Chabon In the spring of 1980 an unexpected group of musical eccentrics came together to play their very first performance at a college party in Athens Georgia Within a few short years they had taken over the world with smash records like *Out of Time* *Automatic for the People* *Monster* and *Green* Raw outrageous and expressive R E M's distinctive musical flair was unmatched and a string of mega successes solidified them as generational spokesmen In the tumultuous transition between the wide open 80s and the anxiety of the early 90s R E M challenged the corporate and social order chasing a vision and cultivating a magnetic transgressive sound In this rich intimate biography critically acclaimed author Peter Ames Carlin looks beyond the sex drugs and rock n roll to open a window into the fascinating lives of four college friends Michael Stipe Peter Buck Mike Mills and Bill Berry who stuck together at any cost until the end Deeply descriptive and remarkably poetic steeped in 80s and 90s nostalgia *The Name of This Band is R E M* paints a cultural history of the commercial peak and near total collapse of a great music era and the story of the generation that came of age at the apotheosis of rock

*R.E.M.'s Murmur* J. Niimi, 2005-04-28 R E M's debut album released in 1983 was so far removed from the prevailing trends of American popular music that it still sounds miraculous and out of time today J Niimi tells the story of the album's genesis with fascinating input from Don Dixon and Mitch Easter He also investigates Michael Stipe's hypnotic mysterious lyrics and makes the case for *Murmur* as a work of Southern Gothic art

EXCEPRT In the course of an interview that took place some twenty years ago Michael Stipe made passing reference to an essay that had a deep impact on him It's what came to his mind when after having been harangued by fans and journalists alike about *Murmur*'s lyrics already grown weary from having to continually entertain their broad speculations he finally threw up his hands Anyone who really wants to figure out the words to our songs should probably read this essay then go back and listen Stipe told the interviewer It talks about how people misinterpret something that's being said and come up with a little phrase or word that actually defines the essence of what the original was better than the original did What Stipe was trying to say is that if you want answers to R E M you're not only looking in the wrong place you're also asking the wrong questions
