Rabbinic Judaism

Lawrence H. Schiffman

Rabbinic Judaism:

Understanding Rabbinic Judaism, from Talmudic to Modern Times Jacob Neusner, 1974 Theology Mordecai M Kaplan Saadia Gaon Alexander Marx Judah Halevi Henry Slonimski Maimonides Isadore Twersky Nachmanides Solomon Schechter General characteristics of Jewish mysticism Gershom G Scholem The mystical element of Judaism Abraham J Heschel The book of the pious Solomon Alcanan Singer Shneyur Zalman of Liady Charles B Chavel Moses Sofer S Ehrmann Israel Salanter Louis Ginzberg Bibliography on Judaism from Talmudic to modern times David Goodblatt *Understanding Rabbinic Judaism* Jacob Neusner, 2003-04-15 **Early Rabbinic Judaism** Jacob Neusner, 1975 **From Text to Tradition** Lawrence H. Schiffman, 1991 From Text to Tradition examines the history of Judaism as it developed from the religion of biblical Israel to the Judaism of the talmudic rabbis Each step in this process is discussed from the historical literary and religious points of view and the context of the political history of the Jews Among the topics covered in this connection are the biblical heritage which underlies all later Judaism the importance of the Persian period for laying the groundwork for postbiblical Judaism the confrontation of Judaism with Hellenism apocrypha pseudepigrapha and the Dead Sea Scrolls Pharisees Sadducees and Essenes the Jewish Christian schism the impact of the Jewish revolts against Rome and the destruction of the Temple the rise of Rabbinic Judaism and the development of the Mishnah Talmud and Jewish law One of the books major theses is that the various approaches to Judaism shared sufficient common ground as to be classified as one albeit variegated religious tradition Diverging trends may be and are traced during this period as is the question of the role of interpretation the impact of external influences and the process by which the competing approaches were eventually supplanted by the rabbinic tradition which became the basis for medieval and modern Judaism In this way Judaism is shown to have travelled the long road from the textual heritage of the Hebrew Bible to the oral tradition of the rabbis

Understanding Second Temple and Rabbinic Judaism Lawrence H. Schiffman, 2003 Describes the Second Temple period the first few centuries before and after the common era and its influence on the development of Rabbinic Judaism which is the foundation for all of modern Judaism The New Testament and Rabbinic Judaism David Daube, 2011-07-01 Among the many in the last century who explored the relationship between the New Testament and rabbinic Judaism David Daube must certainly be designated as among the pioneers And in the literature of that exploration along with works such as Paul and Rabbinic Judaism by W D Davies and Joachim Jeremias Jerusalem in the Time of Jesus Daube s The New Testament and Rabbinic Judaism must be awarded classic status Whether one is examining the social and religious history behind the New Testament text or analyzing the text itself The New Testament and Rabbinic Judaism will illumine the interpreter Daube s work stands on the shoulders of no one and has itself become a cornerstone for future study in this field This volume is a must for every library The Mishnah Jacob Neusner, 2002 Understanding the religious perspectives of the Mishnah starts with asking three questions First what is the relationship of the Mishnah to Scripture or oral torah to written torah for

understanding the religion of Judaism Second what is the relationship between religious ideas and the world in which those ideas emerged Third what is the formal religious significance of the language of the Mishnah These questions are posed with regard to a Judaism that existed from just prior to the destruction of the Temple in 70 C E until around 200 C E and assumes as well the groundwork of Neusner's earlier volume *The Mishnah Social Perspectives* In the present volume Neusner condenses years of research on these questions and offers a clear and thorough analysis through a single lens He looks closely at how the Halakhah of the Mishnah relates to the events prior to the Mishnah's writing e.g. the destruction of the Temple ca 70 C E and the Bar Kokhba War ca 135 C E through the reconstruction following Bar Kokhba until the close of the Mishnah ca 200 C E Readers also profit from a thorough sociolinguistic explication of the rhetorical forms of the Mishnah in the light of the social context of that time The religious perspectives of the Mishnah do not simply record the rules and regulations of bygone times rather they mirror the way of life and the social and religious history of Judaism This publication has also been published in hardback please click here for details

The Theology of Rabbinic Judaism Jacob

Neusner,1997 This work examines the entire corpus of authoritative documents of Rabbinic Judaism from Mishnah ca 200 C E through the Talmud of Babylonia ca 600 C E Jacob Neusner argues that governing rationalities may be discerned both within and across these foundation documents Together these governing rationalities form a single mythic and symbolic system a coherent theology

Pious Irreverence Dov Weiss,2016-07-12 Judaism is often described as a religion that tolerates even celebrates arguments with God Unlike Christianity and Islam it is said Judaism endorses a tradition of protest as first expressed in the biblical stories of Abraham Job and Jeremiah In *Pious Irreverence* Dov Weiss has written the first scholarly study of the premodern roots of this distinctively Jewish theology of protest examining its origins and development in the rabbinic age Weiss argues that this particular Jewish relationship to the divine is rooted in the most canonical of rabbinic texts even as he demonstrates that in ancient Judaism the idea of debating God was itself a matter of debate By elucidating competing views and exploring their theological assumptions the book challenges the scholarly claim that the early rabbis conceived of God as a morally perfect being whose goodness had to be defended in the face of biblical accounts of unethical divine action *Pious Irreverence* examines the ways in which the rabbis searched the words of the Torah for hidden meanings that could grant them the moral authority to express doubt about and frustration with the biblical God Using characters from the Bible as their mouthpieces they often challenged God's behavior even in a few remarkable instances envisioning God conceding error declaring to the protestor You have taught Me something I will nullify My decree and accept your word

The Annual of Rabbinic Judaism ,1998 *Christianity and Rabbinic Judaism* Jonas E. Alexis,2013 Our way must be never knowingly support lies Having understood where the lies begin step back from that gangrenous edge Let us not glue back the flaking scale of the Ideology not gather back its crumbling bones nor patch together its decomposing garb and we will be amazed how swiftly and helplessly the lies will fall away and that which is destined to be naked will be

exposed as such to the world Alexander Solzhenitsyn Enlightenment writer Voltaire was amazed that twelve fishermen some of them unlettered from an obscure place in the world called Galilee challenged an empire through self denial and patience and eventually established Christianity He seriously thought that twelve philosophers or intellectuals himself included would do the opposite and crush Christianity Voltaire s self appointed cheerleaders such as Diderot Helvitius d Holbach D Alembert Lametrie and Baron Cloots among others tried to do just that and wrote volumes of work trying to tear down the basis of Christianity and erect an edifice of their own Diderot in particular declared I would sacrifice myself perhaps if I could annihilate forever the notion of God Cloots wrote We shall see the heavenly royalty condemned by the revolutionary tribunal of victorious Reason Lametrie produced Man A Machine and an entire French encyclopedia was written between 1751 and 1772 by those philosophers because Christianity to a large degree had to go Voltaire would send letters to his disciples and friends saying crasez l inf me Rousseau of course was a disciple of Voltaire and declared that Voltaire s work inspired me The French Revolution failed Yet like all significant revolutions before and after that period the French Revolution indirectly had a theological root which was then a categorical and metaphysical rejection of Logos That theological substratum has jumped from one era to the next and had and still has historical political economic and spiritual ramifications This book is about the historical and theological struggle of that conflict which had its inception at the foot of the cross

Jews, Judaism, and Success Robert Eisen,2023-06-23 In *Jews Judaism and Success* Robert Eisen attempts to solve a long standing mystery that has fascinated many How did Jews become such a remarkably successful minority in the modern Western world Eisen argues that Jews achieved such success because they were unusually well prepared for it by their religion in particular Rabbinic Judaism or the Judaism of the rabbis Rooted in the Talmud this form of Judaism instilled in Jews key values that paved the way for success in modern Western society autonomy freedom of thought worldliness and education The book carefully analyses the evolution of these four values over the past two thousand years in order to demonstrate that they had a longer and richer history in Jewish culture than in Western culture The book thus disputes the common assumption that Rabbinic Judaism was always an obstacle to Jews becoming modernized It demonstrates that while modern Jews rejected aspects of Rabbinic Judaism they also retained some of its values and these values in particular led to Jewish success Written for a broad range of readers *Jews Judaism and Success* provides unique insights on the meaning of success and how it is achieved in the modern world

Rabbinic Judaism Jacob Neusner,1994 The history of the formation of Judaism and the description and analysis of its structure derive from the analysis of the traits of the documents of rabbinic literature The correlation between these documents and the principal events in the political world in which their authors lived forms the basis for the interpretation of this history documentary history of Rabbinic Judaism

Christianity and Rabbinic Judaism Hershel Shanks,1993 This book tells the story of the formation of classical Judaism and orthodox Christianity as parallel yet interlocking histories Here in a series of chapters written by leading scholars in this country and in Israel the reader is

offered a general account of how during the first six centuries of the Common Era Judaism and Christianity took the form we recognize today *Rabbinic Judaism* Jacob Neusner, 2002 Rabbinic Judaism in its classical writings produced from the first through the seventh century of the Common Era sets forth a theological system that is orderly and reliable This work makes its contribution in seeing in the principal conceptions of Rabbinic Judaism a logos a sustained rigorous coherent argument This title is also available in paperback ISBN 0 391 04179 7 **Paul and rabbinic Judaism** William David Davies, 1948

Rabbinic Judaism Jacob Neusner, 1995 Neusner U of South Florida introduces and critiques four approaches to describing the structure system and Western context of formative rabbinic Judaism casting his lot with the last nominalist harmonistic theological and historical Indexed by biblical and Talmudic reference as well as subject Originally published by Augsburg Fortress Annotation copyrighted by Book News Inc Portland OR *From Text to Historical Context in Rabbinic Judaism: The later midrash compilations: Genesis Rabbah, Leviticus Rabbah, and Pesiqta deRab Kahana* Jacob Neusner, 1994

Persons and Institutions in Early Rabbinic Judaism William Scott Green, 1977 **Rabbinic Judaism** David Kraemer, 2015-09-07 In the aftermath of the conquest of the Holy Land by the Romans and their destruction of the Jerusalem Temple in 70 CE Jews were faced with a world in existential chaos both they and their God were rendered homeless In a religious tradition that had equated Divine approval with peaceful dwelling on the Land this situation was intolerable So the rabbis aspirants for leadership of the post destruction Jewish community appropriated inherited traditions and used them as building blocks for a new religious structure Not unexpectedly given the circumstances this new rabbinic formation devoted considerable attention to matters of space and place Rabbinic Judaism Space and Place offers the first comprehensive study of spatiality in Rabbinic Judaism of late antiquity exploring how the rabbis reoriented the Jewish relationship with space and place following the destruction of the Jerusalem temple Drawing upon the insights of theorists such as Tuan and LeFebvre who define the crisis that homelessness represents and argue for the deep relationship of human societies to their places the book examines the compositions of the rabbis and discovers both a surprisingly aggressive rabbinic spatial imagination as well as places most notably the synagogue where rabbinic attention to space and place is suppressed or absent It concludes that these represent two different but simultaneous rabbinic strategies for re placing God and Israel strategies that at the same time allow God and Israel to find a place anywhere This study offers new insight into the centrality of space and place to rabbinic religion after the destruction of the Temple and as such would be a key resource to students and scholars interested in rabbinic and ancient Judaism as well as providing a major new case study for anthropologists interested in the study of space
