Memory Of Eva Ryker:

The Memory of Eva Ryker Donald Stanwood,2015-03-03 An eccentric billionaire a best selling author and a beautiful self destructive woman three lives linked by the tragic sinking of the Titanic April 11 1912 The gala sailing out of Southampton of White Star Line s peerless luxury liner the R M S Titanic Among the dazzling doomed names on the passenger list for this the Titanic s maiden voyage is Clair August Ryker the lovely and dissolute wife of billionaire industrialist William Ryker and her ten year old daughter Eva Also present is a young couple obviously newlyweds the Eddingtons who are drawn to Clair and her child Beneath the decks in the cargo hold is a crate marked Ryker Industries November 30 1941 In Honolulu the apparently accidental death of tourist Albert Klein and the brutal murder of his wife confound the promising career of a rookie cop Norman Hall will never be able to forget the grisly sight of the dismembered body of Martha Klein Decades later a best selling author he is still haunted What could possibly link these events A faded film capturing the sunny pleasures of a ship board party and a terrifying recording of a voice describing a night of darkest infamy and moral outrage It is Norman Hall s assignment fifty years after the sinking of the Titanic to cover for World Magazine William Ryker s multimillion dollar salvage expedition to recover the lost riches of the Titanic Norman Hall is determined to understand the reclusive billionaire s motives for the expedition but as he delves deeper into the past he finds himself in grave danger To solve the mystery he must somehow unlock the memory of the deeply troubled Eva Ryker [The Memory of Eva Ryker](#) ,1977

Natalie and R.J.: The Star-Crossed Love Affair of Natalie Wood and Robert Wagner Warren G. Harris,2011-11-28 Their relationship was that of fairy tales Their devotion so intense they wed each other not once but twice In the first book to focus on both Natalie Wood and Robert Wagner the author of the bestseller Gable Lombard and the critically acclaimed book Cary Grant gives us a scintillating portrait of this glamorous and exciting couple from their early years working for the studio system to the final shattering hours before Natalie Wood s life tragically ended We follow them on their roller coaster ride of the ups and downs and the magic and the madness of this couple who became Hollywood royalty [Too Scared To Cry](#) Lenore Terr,2008-08-06 In 1976 twenty six California children were kidnapped from their school bus and buried alive for motives never explained All the children survived This bizarre event signaled the beginning of Lenore Terr s landmark study on the effect of trauma on children In this book Terr shows how trauma has affected not only the children she s treated but all of us *The Titanic in Print and on Screen* D. Brian Anderson,2014-12-09 Titanic scholars contend that the demise of the unsinkable ship left more behind than a memory of April 15 1912 as an important point in history Through books films stories and songs the archetypal

shipwreck has endured as a metaphor for the perils of mankind's hubris and the fallibility of technology. In 1985 the discovery of the long missing wreckage two miles below the surface of the Atlantic revitalized interest in the Titanic and spawned a new generation of books, films, and for the first time, websites and computer games. James Cameron's blockbuster Titanic became the biggest movie of all time and engendered still greater popular interest in the tragic event. This bibliography is a survey of the immense volume of literary, dramatic, and commercial endeavors that came out of history's most compelling shipwreck. Organized by genre in accessible categories and short entries, the book includes Titanic-inspired documentaries, narrative films, children's books, histories, short stories, novels, plays, articles, essays, software, websites, poems, and songs. Each entry includes a brief review, bibliographic information, and the technical details of the specific source. The reviews include subjective analysis designed to reflect the usefulness of the source and to be of benefit to researchers and scholars. Five appendices include lists of the actors appearing in more than one Titanic film, brief film and television appearances of the Titanic, films never or not yet released, books that survived the wreck, and books written by passengers. *TV Guide*, 1990
