Be Still Brian Heasley,2021-10-21 Be still For some these two simple words a welcome invitation to slow down For others they feel impossible out of reach in our increasingly noisy world or simply just too hard to maintain There is another way In fact there are many In this practical easy to read guide Brian Heasley explores the multitude of rhythms of Christian prayer and devotion available to every believer From memorizing scripture and prayer running to noticing beauty everywhere he demonstrates how we don t need to be static for our hearts to be still and how even in the midst of a full busy life we can spend quiet time with God Be Still is a prayer book for anyone looking for ways to revitalise the way they pray or who is struggling to make space for devotional time with God Packed full of ideas for different ways to pray and tips and advice for how to build prayer practices into everyday life Be Still will change the way you think about prayer and devotion and equip you with all the tools you need to deepen your relationship with God You can use Be Still individually or in small groups or read it alongside 24 7 Prayer s new Be Still prayer course It also makes a great resource for youth leaders looking to help teenagers cultivate daily rhythms of prayer and spend more quiet time with God or as a gift for people starting out on their faith journey or those returning to faith after a while Join Brian Heasley and discover the different ways in which we can all be still **PROPHETIC PRAYER WARRIOR AND SPIRITUAL WARFARE "Building a Strong Prophetic Prayer Life"**

Robin Dinnanauth,2017-08-15 If you ve been a Christian for a while you probably know that prayer is one of the staples of the Christian life Although we know that how much time and consideration have we given to really understanding this thing called prayer Building a strong prophetic Prayer life and understanding Spiritual Warfare through prophetic prayer is very important One of the most effective strategies of Satan is to keep believers ignorant of his devices Paul said it is important to know Satan s strategies Lest Satan should get an advantage of us for we are not ignorant of his devices II Corinthians 2 11 We should learn all we can about Satan s strategies of attack and how to counter attack it We must also understand the Scriptural basis of victory over Satan and the forces of evil We are called to intelligent combat The Law Times ,1873

Inside My Mind Ron Hester,2012-03-22 Too many of us take too much for granted For example if we saw an old lady crossing the street many of us would look at her and say Well thats just an old lady or wouldnt think anything of her at all We dont stop to realize that the little old lady is someones mother that she belongs to someones family and that she means a lot to somebody We take too much for granted We let the little things that mean so much go by every day and once they are gone time never gives them back Concentrate on these things because they can bring so much to your life Take the time to thank your heavenly Father make family time husband time wife time children time listening time talking time caring time sharing time crying time peaceful time special time and last but not least giving time Diversity Carrie C.
