Racine's Andromaque, 2019-10-01 Racine's *Andromaque Absences and Displacements* casts a new look at the dynamism richness and complexity of Racine's first major tragedy first performed in Paris in 1667 through a collection of articles specially commissioned by the editors Nicholas Hammond and Joseph Harris Challenging received opinions about the fixity of French classicism this volume demonstrates how Racine's play is preoccupied with absences displacements instability and uncertainty The articles explore such issues as movement and transactions offstage characters and locations hallucinations and fantasies love and desire and translations and adaptations of Racine's play This collection will be an invaluable resource for students and scholars of seventeenth century French theatre Contributors Nicholas Hammond Joseph Harris Michael Moriarty Emilia Wilton Godberfforde Delphine Calle Jennifer Tamas Michael Hawcroft Katherine Ibbett Richard Parish *Tragedy and the Witness* Fred Parker, 2025-04-15 As he dies Hamlet pleads with Horatio to report me aright tell my story This book deals with the task of bearing witness to anguish atrocity and madness as these are staged in the tragic theatre Focusing on the relationship between the protagonist and the onlooker or witness it explores how the tragic figure often and understandably viewed as alien or culpable or profoundly strange struggles to be understood Centred on Shakespeare its wide ranging approach also introduces works by among others the Greeks Racine Ibsen Pirandello Kafka Beckett and Kane The discussion intersects with trauma studies and with psychoanalytic theory especially around how subjective experience is held by others The challenge of entering into such difficult experience is likened to the offering of hospitality to the foreigner or stranger the challenge of overcoming xenophobia Another large concern is with how tragedy represents madness and how far such states of mind may be shared with an audience particularly through the lens of King Lear Written in an accessible style this book grounds tragedy in matters that resonate in common experience from mental breakdown and our need to be heard to questions around grieving trauma and the ethics of telling someone's story
