Garner's Modern American Usage Bryan Garner,2009-07-28

Since first appearing in 1998 Garner s Modern American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases GMAU authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation An exciting new feature of this third edition is Garner s Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout GMAU is the first usage guide ever to incorporate such a language change index The judgments are based both on Garner s own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved Bryan A Garner is a writer grammarian lexicographer teacher and lawyer He has written professionally about English usage for more than 28 years and his work has achieved widespread renown David Foster Wallace proclaimed that Bryan Garner is a genius and William Safire called the book excellent In fact due to the strength of his work on GMAU Garner was the grammarian asked to write the grammar and usage chapter for the venerable Chicago Manual of Style His advice on language matters is second to none

Language Prescription Don Chapman,Jacob D. Rawlins,2020-09-21

This book is a detailed examination of social connections to language evaluation with a specific focus on the values associated with both prescriptivism and descriptivism The chapters written by authors from many different linguistic and national backgrounds use a variety of approaches and methods to discuss values in linguistic prescriptivism In particular the chapters break down the traditional binary approaches that characterize prescriptive discourse to create a view of the complex phenomena associated with prescriptivism and the values of those who practice it Most importantly this volume continues serious academic conversations about prescriptivism and lays the foundation for continued exploration
