the knowledge of Accounting for all level business is a precondition to survive Businesses owners can survive this stiff  
competition only if they know their status in terms of finance operation and marketing which are the three major activities in  
business To do this businesses have to have an employed accountant on salary bases or hire part time accountant But this is a  
difficult condition especially for small business owners which cannot hire accountants Again the owner of large business  
organization also should not take information provided by accountants without crosschecking If they have accounting  
knowledge they can easily understand business transactions So this short hand book on principles of accounting will enable

individuals to learn accounting process easily and handle it by themselves
