

some day as to whether Mr. Hitchcock has cast his subject in too heroic a mould; but it will undoubtedly accord this Czech leader a high place in European statesmanship. This is not the definitive biography of Mr. Beneš, but it makes a useful contribution, particularly on the strictly personal side.

G. BERNARD NOBLE

The Redemption of Democracy: The Coming Atlantic Empire. By Hermann Rauschning. Translated from the German by Barrows Mussey. (New York: Alliance Book Corporation, 1941. pp. 243. \$3.00. No Index.) It is difficult to state clearly just what Rauschning means by this book. Day by day he watches the bombing of London and he writes through these days, trying to say what is the meaning of the conflict. He seeks the causes of the debacle of European order and he makes predictions of the future. Rauschning has no positivistic mind; he is a German still though he works for the downfall of his former leader. With a mind that once let him follow Hitler, he now uses the same intellectual techniques to intuit the future of democracy. While he does not speak as an Anglo-American, perhaps cannot speak so, his book is no less valuable in the struggle of all thinkers today to understand the processes of the world which has come to the present crisis. Europe is ceasing to be the intellectual and political center it has been for so long. "Around the Atlantic Ocean some sort of new Empire of peace may grow up. The power nucleus of the new order is springing from a union of the Anglo-Saxon peoples. Europe will become a hinterland" (pp. 236-37). But it was not fated so, nor was it inevitable that the Germans should have lost their great opportunity. On the other hand, Rauschning has little confidence in the doctrinaires, with their schemes of the planned leviathan. Democracy and the strong state do not go together (p. 185). The planned society is finally a despotism. We cannot banish Caesarism by outdoing it. "In the present crisis we must take inventory of all the forces making for a conservative way of life, and there must be a new articulation of conservatism" (p. 187). Or, again, he says: "Democracy is a balance of varying forces; democracy is decentralization, and not simply formal separation of powers. Above all, democracy is the continual development of tradition. The time is past when democracy was considered equivalent to radicalism" (p. 193).

FRANCIS G. WILSON

International Labor, Diplomacy and Peace 1914-1919. By Austin Van der Slice. (Philadelphia: University of Pennsylvania Press, 1941. pp. xi, 408. Index. \$4.00.) It is worth while to reexamine in retrospect the background of the experiment we know as the I.L.O. The pre-war labor movement gave birth to a system of social internationalism that had not been tried before. The author does not examine that experiment, but he describes the ideological chaos out of which it grew. The rehearsal of that chaotic story is not easy. The author carries it along in twelve separate installments of apparently disparate movements. The author calls his thirteen chapters: (1) Introduction; (2) Realistic setting for the war aims; The war aims of (3) international labor, (4) French labor, (5) British labor, (6) American labor; (7) Labor's peace diplomacy; (8) Popular front organizations aiding labor's peace program; (9) The labor movement and President Wilson; (10) Government and labor; (11) Labor on the threshold of the peace; (12) The Bern Conference and its aftermath; and (13) Labor's lobbying at Paris. Bibliography. This is the history of description and not of analysis. The study is an excellent collation and summary of the relevant

Redemption Of Democracy

Redemption Of Democracy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Redemption Of Democracy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Redemption Of Democracy has opened up a world of possibilities. Downloading Redemption Of Democracy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Redemption Of Democracy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Redemption Of Democracy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Redemption Of Democracy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Redemption Of Democracy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Redemption Of Democracy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Redemption Of Democracy Books

1. Where can I buy Redemption Of Democracy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Redemption Of Democracy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
