CHALLENGE FOR THE CHAMPIONSHIP 1991

The secret never really went Nigel Mansell - World Champion, but the secret taste of success did not come easily. In the competitive world of F1, few drivers have shown more determination or made more personal and financial sacrifices than Nigel 'W' and G.A. This report first tells the executive make story of Nigel Mansell's Formula One challenge.

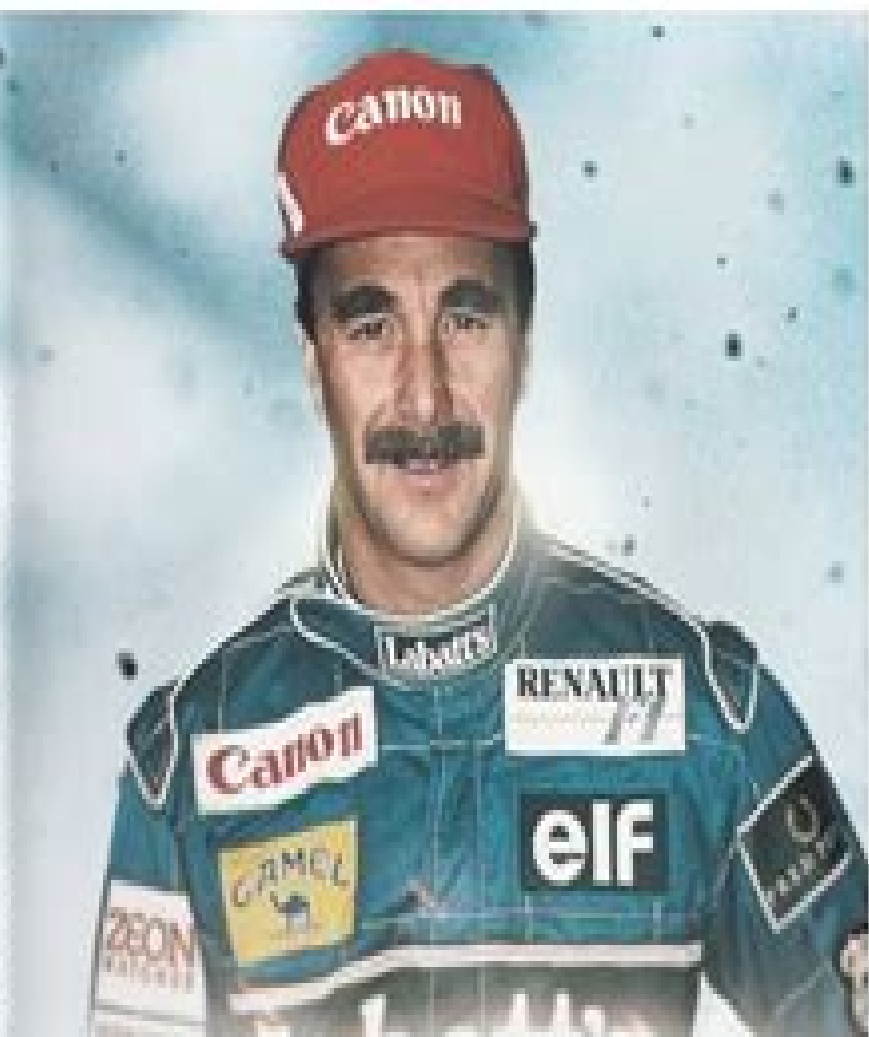

**Mansell: Challenge For The Championship 1991** profiles the turbulent 1991 season when frustrating mechanical troubles forced the Williams-Mansell team to make a spectacular late season change. The year finished with power, engineers and test technicians working together in a formidable display of teamwork that formed the ingredients for Mansell's legendary 1992 World Championship title challenge. Nigel Mansell provides fascinating insights into the single greatest motivation in achieving his career, and reveals what motivated him throughout the most demanding of seasons.

**FULL SCREEN FILM:**

**Going For Gold** is an action-packed tribute to Mansell and the other 'kings' of Grand Prix which captures the extreme drama of qualifying for pole position. After Formula, Juan-Pablo and Riccardo Patrese star.

**Grand Prix - The Fast Lane** takes you into the past some time as our cameras head to Historic Grand Prix Cars Association and FIA Historic Formula One Championship events in 2010 to watch these cars back where they belong. They may be some of the most valuable machines in the world, but these events are no picnic teas. This is real racing, with real cars on real streets.
