

A PAST WITHOUT SHADOW

Constructing the Past in German Books for Children

Past Without Shadow:

A Past Without Shadow Zohar Shavit,2005-01-01 A Past Without Shadow examines 50 years of German children's books in which the darkest horrors of the Third Reich have routinely remained hidden. The horrors of the Third Reich are systematically screened and filtered, allowing the darker, bleaker parts of history to escape illumination. Here Zohar Shavit explores 345 German books for children describing the Third Reich and the Holocaust and finds a shocking distortion of the past: a recurrent narrative which suggests that the Germans themselves had no hand in the suffering inflicted on the Jews. These books, Shavit argues, have created the false historical lesson that the real victims of Hitler's crimes were the German people themselves. First published to great acclaim in Hebrew and now available in English, this book is a wake-up call for anyone concerned about German children's literature and its responsibility to past and future.

Guided by Orlaith, a mystical spirit, Cerys discovers the secrets of the natural world, learning about ecosystems, food chains, and the roles plants and animals play in maintaining balance. As she ventures deeper into the forest, Cerys uncovers the critical roles that shadows and light play in nature and how every creature, no matter how small, has a part in the circle of life. This enchanting tale introduces children to the wonders of ecology and environmental science.

Shadow M. J. Manley,2019-07-17 Dr. Michael J. Manley, a therapist for the homeless in Los Angeles, wanted to know what it's really like living on the streets. So following his retirement, he purposely became like the people he had counseled, discovering that their life is far more difficult than he could have possibly imagined. African Americans living in the United States are treated unequal to the white Americans. At Starbucks, colleges, and other institutions, due to their color, as the novel *Shadow* contends. Manley is the author of seven novels: *Parlay*, *The Emeritus*, *Who Will Rule The Tides of Time*, *The Gene Factor*, *Games of The Gods*, *Take the Ride of Your Life with The Uber Groover*, and *Still Waters Run Deep*. His eighth book is *Shadow*. Based on a true event, which focuses on his life adjusting to retirement after thirty years working as a therapist at a veterans hospital in Los Angeles County, Manley loves the challenge of switching genres. He has written fiction, nonfiction, romances, thrillers, and mysteries. Observing people and talking to people made me get into writing. I like conversing with people and telling my stories to a wide and vast audience of readers.

Psychic Retreat Irina Filipache,2024-10-29 *Psychic retreat* is most of all about freedom; it is an intimate retreat into the unseen life into an unlived life. Poetry is a way of digesting the world, of recycling and growing a subjectivity that found a home into a foreign language. To give voice to one's thoughts, feelings, and dreams was so dangerous behind the Iron Curtain, where the author was born and raised. Poetry has become a vital habit, a safe space for a self who meets the world with wonder, pain, delight, fear, with curiosity and passion. Irina Filipache was born and raised in Bucharest, Romania, where she lives. She is a psychologist and psychotherapist in private practice. She is trained in Transactional Analysis. She is passionate about learning.
