Silent Partners:

The Silent Partners Elizabeth Stuart Phelps, 1871 **The Silent Partner**, 1920 Key Aspects of German Business Law Michael Wendler, Bernd Tremml, Bernard John Buecker, 2008-10-17 This book presents a clear and precise overview of the key aspects of German business law. It was written by attorneys involved in the daily practice of business law in Germany and is aimed at people who wish to orient themselves quickly with the German legal system and the manner in which it impacts business purchases, establishment operations and liquidations. The first section of the book is devoted to an explanation of the major issues to be considered in acquiring or establishing a business in Germany. The second section focuses on areas of commercial law that are important for an operating business. In comparison to the last edition, four new areas: transportation law, customs regulations, insurance law and state liability law are treated. The following sections deal with labor law as an independent part of German business law and with computer law. Furthermore, procedural law and European law are addressed. Finally, the last two sections of the book are devoted to an overview over the German tax law, which has an enormous impact on business decisions and IP law. In all sections, special attention has been paid to highlighting and explaining the differences between the German legal system and that of the United States. Nevertheless, the intention is to provide information that will prove valuable to all foreigners, particularly business men and women and lawyers advising clients with an interest in doing business in Germany.

Reports..., 1901 **Dictionary of International Trade** Edward G. Hinkelman, 2005 The Dictionary of International Trade has undergone a major update and expansion. With many pages of additional content, the book is now one-third dictionary and two-thirds encyclopedia. In addition to the revised A-Z section, there are 21 important appendices. New features include: Illustrated Guide to Ocean Freight Containers, Illustrated Guide to Air Freight Containers, Illustrated Guide to Incoterms 2000, Illustrated Guide to Letters of Credit, IATA Codes Worldwide by Code and by Location, Security Section covering C-TPAT, FAST, PAPS, PARS, 24 Hour Rule and more.

German Tax and Business Law, 2005 Providing treatment of landlord and tenant matters, this book covers both commercial and residential issues. The reader is informed with the changing complexities of legislation and case law in this area. The coverage of cases and legislation is complemented by practical advice on issues facing practitioners in their daily work.
