The Path of Subud Husein Rofe,1988-12-01      **The Path of Subud** Husein Rofé,1959      *The Path of Subud* Kafrawi,1971      In Search of the Miraculous Petr Dem'i[ia]novich Uspenskiï,1949 The record of Ouspensky s eight years of work as Gurdjieff s pupil      **The Path of Subud** Kafrawi,1969 This thesis examines the origins nature and characteristics of the Subud mystical order which is an expression of Javanese Red abangan Muslim mysticism It presents material on the life of the founder on the religious background of the order and presents the doctrines practices and forms of organizationi peculiar to the order      *The Sumarah Movement in Javanese Mysticism* Paul Stange,1980      **Remembrance of Things to Come** William Wightman,1961      **The Path of Subud [microform] : a Study of 20th Century Javanese Mysticism Founded by Muhammad Subuh Sumohadiwidjojo** Kafrawi,1970 This thesis examines the origins nature and characteristics of the Subud mystical order which is an expression of Javanese Red abangan Muslim mysticism It presents material on the life of the founder on the religious background of the order and presents the doctrines practices and forms of organizationi peculiar to the order      **Gods and Religions** Saul Silas Fathi,2023-12-22      Challenge ,      **Adult Catalog: Subjects** Los Angeles County Public Library,1970      *Mysticism & Everyday Life in Contemporary Java* Niels Mulder,1983      **Subud** ,1999 In *Subud the Coming New Age of Reality* author Simon Monbaron a self proclaimed Subud zealot shares the knowledge wisdom and experience he has gained from forty years of receiving the spiritual training known as the latihan kejiwaan of Subud This massive 594 pages tome is not just for Subud members but for anyone who seeks the reality that lies beyond the material world At last here is a book I can give to friends and family members who are curious about what I do when I go off to receive the latihan but are not yet ready to jump into the deep end to find out for themselves For the merely curious Monbaron s book recounts the history of Subud and how it grew from a small group in Indonesia to a world wide spiritual phenomenon It tells the story of Muhammad Subuh Sumohadiwidjojo an unremarkable government clerk whose life changed when a ball of light entered the top of his head when he was out for an evening stroll And it discusses many aspects of the latihan which is the central core of Subud For those who are considering joining Subud the Monbaron s book provides information regarding what this involves as well as a detailed description of the Subud organization Readers may also skip around and find out what Bapak had to say about topics as varied as suicide feminism reincarnation sex drug use and many other questions and issues with which people struggle Whether you use it as a reference manual a source of fascinating anecdotes and spiritual insights or a way to learn about a spiritual path of profound power and simplicity *Subud the Coming New Age of Reality* is a treasure chest of immense value      **Endonezya Mütalâaları V** Ali Osman Muş,2021-06-06 NS Z Endonezya Okyanusu nda y z yoruz Endonezya zerinde al mak ve ara t rma yapmak zor diyen Japonlara hak verdik Ger ekten ok zor ve mantaliteleri son derece farkl bir kavimler toplulu u olan Endonezya halk a r yumu ak ve medeni ama yumu ak at n iftesi pek olur atas z nde ge ti i gibi Stefan Zweig in de Amok Ko ucusu k sa roman nda a klad haleti ruhiyeyi irdelemek bizi

Koontz,2008 This is a book of essays They are about the journey we all

take through life All of us are heading toward a real goal home We will each know our own home when we get there When these essays started coming out of my computer I did not know they were going to be essays I was totally astonished when His Eye Is On The Sparrow showed up fully formed needing only slight tweaking to assume its final shape I looked it over This was an essay It could not be anything else Carrying on with my writing I saw essay after essay appear on the screen of my computer Some came out of my brain and heart almost as fully formed as the first Some required much work I believe the work was worthwhile I believe the book is worthwhile I stand proudly behind every idea in this book I do not stand behind every word Every major idea here is transformational and liberating I do not know how many major liberating transformational ideas there are in the world but as I write this I can think of maybe 20 or 30 no more On the other hand there are more than a half a million words in the three books You may find words with which you disagree I hope you do But it would be a step in the wrong direction for you to disagree with the ideas If you are completely satisfied with your current ideas about life if you know all you want to know about leading a joy filled life full of spirituality but devoid of empty religiosity if you are happy with your relationships with all the people who mean something to you if you have not thought about these things in many years and really don't care to think about them now If all this is true for you please close this book and stop reading immediately The Way Home is really three books in one cover Each of the three is a complete unit but each book gains strength from the other two There are forty one essays in The Way Home and each essay is complete in itself but is also part of a unified whole Book One provides an overview for the special person who will want to read a serious book of essays about how to lead life Book Two is for those who might want to know more about the author and how he became the person he is Book Three is for those who understand the first two These fortunate few will already be conscious citizens of the new world already emerging from the ashes of the complete failure of western civilization They know where they are going and how to get there They will have gained a sense of direction for everything they do and they will know how to regain balanced movement if they are ever threatened Most of them will be able to do this because of a new religion they have adopted It may be called by the same name as the religion they have always had but it will be a new and intensely personal view of that religion This personal religion will use some of the language of the religion into which the person was born that is Christians may use mostly the words of Jesus Jews will not use Jesus words at all the different sects of the Moslem world will find different sections of the Koran to emphasize and Indians will quote the Upanishads Remarkably there will be no disagreement although each religion will be unique to one person alone
