The Golden Thread and other Plays Emilio Carballido,2013-12-06 Emilio Carballido was one of the most innovative and accomplished of Mexico s playwrights and one of the outstanding creators in the new Latin American theater By his mid forties he had already produced an impressive body of works in two very different veins On the one hand he mastered the techniques of the well made play On the other he developed a richly rewarding vein of fantasy sometimes poetic sometimes comic sometimes macabre and sometimes all three The plays in this volume are in the latter vein ranging from surrealist farce in The Intermediate Zone to the grotesqueries of The Time and the Place from tragicomedy in Theseus to the dreamlike permutations of The Golden Thread But even at his most fantastic Carballido never loses his remarkable gift for characterization his peevish Minotaur his raffish Nahual were jaguar are wholly believable monsters

The Golden Thread Ken Vincent,2005-08 The Golden Thread God s Promise of Universal Salvation In our modern pluralistic world the barriers imposed by the old doctrine of religious exclusivity are confronted every day by individuals families and nations Now more than ever the inspirational message of God s Universal and eternal love for all humanity needs to be retold By reacquainting readers with the God who is too good to condemn anyone to Eternal Hell The Golden Thread God s Promise of Universal Salvation offers a Biblical interpretation present in Christianity from the earliest Jesus Followers to the 21st Century Salvation for all is known as Universalism and the idea that all people will be saved either immediately or eventually is called Universal Restoration Proponents of Universalism can be found today within a wide variety of denominations from post Vatican II Catholics to Primitive Baptists The Golden Thread brings together the Bible verses that ancient and modern Universalist theologians have used to show that God is the parent of all and in the end
