## Road To Somewhere:

**The Road to Somewhere** David Goodhart,2020-01-15 A unique look at the rise in populist politics internationally  
*The Road to Somewhere* Mark Wayne Huddleston,1978     **The Internet Left** Graham Harrison,2023-12-21 Defying the current pessimistic narrative this book challenges the prevailing assumptions that the political Left is spent hopeful ideological discourse has collapsed and social media has corroded public debates about politics Instead the book argues that ideological activism remains vibrant on the Left but there is currently no clear way of recognising and analysing this phenomenon The book fills this gap by first defining what political social media is and then by taking a morphological approach to investigating political ideologies and revealing the ways in which interconnected concepts are arranged It concludes by coining the term proto ideologies to approach the construction of concepts that generate ideologies in the making

**THE WEST VIRGINIAN** David Thompson,2014-09-13 The series called Works of Various Anthologies covers ideas at different times and places in the writer s life The thoughts expressed come from experience and express emotions in an introspective way The thoughts in these anthologies also express failures and affirmations     *The Road to Kingston Springs* Jimmie L. Chapman,2014-12-03 We are all pilgrims just passing through this world There are many routes that we can take as we journey this way Most of them are well marked as to their destination Care should be taken to make certain the route we have chosen will take us where we want to go Some people are content to take the low road through life Their road usually leads to troubles and sorrows They find that when they reach the end of their road they have their reward and there is no hope beyond that Others take the high road through life their hearts are set on eternal things They see the things of this world as temporal and unworthy of their pursuit They see things such as love joy peace and happiness as their reward for this life and everlasting life with Jesus as their eternal reward     *Illuminations on the Road to Nowhere* Paul Ferrini,2001-05 There comes a time for all of us when the outer destinations no longer satisfy and we finally understand that the love and happiness we seek cannot be found outside of us It must be found in our own hearts on the other side of our pain This book makes it clear that we can no longer rely on outer teachers or teachings to find our spiritual identity Nor can we find who we are in relationships where boundaries are blurred and one person makes decisions for another If we want to be authentic we can t allow anyone else to be an authority for us nor can we allow ourselves to be an authority for another person This provocative book challenges many of our basic assumptions about personal happiness and the meaning of our relationship with others and with God
