Rob Roy Macgregor:

Rob Roy MacGregor William Hutchison Murray,1982 Rob Roy MacGregor Scotland s most romantic elusive hero was an outlaw and a life long enemy of Montrose So well known was he that no one thought to write down a physical description of him or any direct record of his childhood and youth Thus tracking down Rob Roy today is to embark upon a painstaking search through archives estate records and folk myths enriched and confused by the romantic yarns that have grown up around him W H Murray brings together new interpretations of Rob Roy s life and times to produce a new understanding of the character actions and motives of a man who became a myth and symbol of Scotland Murray shows that Rob Roy s renown stems from his remarkable force of character rather than his politics or his place in the writings of Sir Walter Scott His political mission outwardly failed but his extraordinary resolution in adversity has earned him his place in history and legend
