Robert Frost The Critical Reception:

Robert Frost Linda Wagner-Martin,1977 *The Critical Reception of Robert Frost* Peter Van Egmond,1974 Describes more than 108 careers and discusses the requisite skills and education salaries employment statistics and future trends schools offering programs and sources of further information *Valuable Risks* Christy L. Sadler, Meredith College (Raleigh, N.C.). Honors Program,2002 Beleaguered Poets and Leftist Critics Milton A. Cohen,2010 Different as they were as poets Wallace Stevens E E Cummings Robert Frost and Williams Carlos Williams grappled with the highly charged literary politics of the 1930s in comparable ways All four poets saw their reputations critically challenged in these years and felt compelled to respond to the new politics literary and national in distinct ways ranging from rejection to involvement *Beleaguered Poets and Leftist Critics* closely examines the dynamics of their responses **The Difficulties of Modernism** Leonard Diepeveen,2013-10-18 First published in 2003 Routledge is an imprint of Taylor Francis an informa company Critical Essays on Robert Frost Philip L. Gerber,1982 **Encyclopedia of American Literature** Manly, Inc.,2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Brucoli George Parker Anderson Judith S Modernist Fraud Leonard Diepeveen,2019-02-05 Focusing on literature and visual art in the years 1910 1935 *Modernist Fraud* begins with the omnipresent accusations that modernism was not art at all but rather an effort to pass off patently absurd works as great art These assertions common in the time s journalism are used to understand the aesthetic and context which spawned them and to look at what followed in their wake *Fraud* ventured into the aesthetic theory of the time to ideas of artistic sincerity formalism and the intentional fallacy In doing so it profoundly shaped the modern canon and its justifying principles *Modernist Fraud* explores a wide range of materials It draws on reviews and newspaper accounts of art scandals such as the 1913 Armory Show the 1910 and 1912 Postimpressionist shows and *Tender Buttons* to daily syndicated columns to parodies and doggerel to actual hoaxes such as *Spectra* and *Disumbrationism* to the literary criticism of Edith Sitwell to the trial of Brancusi s *Bird in Space* and to the contents of the magazine *Blind Man* including a defense of Duchamp s *Fountain* a poem by Bill Brown and the works of and an interview with the bafflingly unstable painter Louis Eilshemius In turning to these materials the book reevaluates how modernism interacted with the public and describes how a new aesthetic begins not as a triumphant explosion that initiates irrevocable changes but as an uncertain muddling and struggle with ideology Sixteen Modern American Authors Jackson R. Bryer,1989 Praise for the earlier edition *Students of modern American literature* have for some years turned to *Fifteen Modern American Authors* 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form *Sixteenth Modern American Authors* it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains *American Studies* *Virtual Americas* Paul Giles,2002-08-15 A discussion on the ways in which representations in the U S have been deflected from mythic to virtual phenomena in literary and cultural works of the

modern era **The Critical Review** ,2000 **Location as Subject in Robert Frost's North of Boston** Kenneth Wayne Maynor,1991 **Thomas Wolfe, the Critical Reception** Paschal Reeves,1974 **South Atlantic Review** ,1998

Robert Frost Morris Dickstein,2010 This title presents in depth critical discussions of his life and works Widely celebrated during his lifetime as the greatest living American poet Robert Frost remains one of the few poets whose work is enjoyed by scholars and general readers alike A record four time winner of the Pulitzer Prize who gave readings across America and in countries as far flung as England Brazil and Russia Frost is nevertheless known not as a cosmopolitan but as a plainspoken portraitist of rural New England Yet despite this reputation Frost is much more than a regional poet his wit irony and willingness to rest in ambiguity make him a poet of the cosmic and universal In the age of Ezra Pound and T S Eliot he stood alone in writing a poetry that was simultaneously accessible complex and profound Edited and with an introduction by Morris Dickstein Distinguished Professor of English at the Graduate Center of the City University of New York and senior fellow of the Center for the Humanities this volume in the Critical Insights series brings together a variety of critical perspectives on Frost s life and works For readers new to Frost four original essays provide valuable context for understanding and assessing his work Together they outline the work s historical and cultural contexts survey the major pieces of Frost criticism examine Frost s relationship with modernist poetics and consider how his use of paradox and contradiction participate in and differ from the use established by Whitman and Emerson Nine other previously published essays deepen readers understanding and offer a sampling of the key concerns of contemporary Frost critics Among these essays David Sanders draws on Frost s letters and interviews to understand how he developed his poetic voice from careful observation of his New England neighbors and how he sought to make these people visible within the growing mass culture of twentieth century America Roger Gilbert further examines Frost s poetics in his discussion of the recurrence of the trope of the walk in Frost s poetry concluding that for Frost the trope parallels the dynamic act of poetic composition Other essays examine Frost s politics with Frank Lentricchia considering how his poetry with its emphasis on replicating the rhythms of everyday speech rather than traditional conceptions of the literary gives evidence to the notion that poetics can be a register of social and political change and Tyler B Hoffman offering a unique reading of Frost s view of industrialism and the New Deal arguing that Frost was not the archconservative that leftist critics have made him out to be but rather took a highly nuanced view of the poet s obligations to politics Jeff Westover extends this vein of criticism by dissecting Frost s nationalism and Robert Bernard Hass discusses how Frost s interest in science especially astronomy impacted the religious beliefs his mother inculcated in him as a child Uniquely this volume also contains an original piece by Paris Review contributor Elizabeth Gumpert who offers a writer s perspective on Frost s fierce independence Rounding out the collection is a brief biography and chronology of Frost s life and an extensive bibliography for readers wishing to study the poet s work in greater depth Each essay is 5 000 words in length and all essays conclude with a list of Works Cited along with endnotes Sixteen

Modern American Authors Jackson R. Bryer, 1990 Praise for the earlier edition Students of modern American literature have for some years turned to Fifteen Modern American Authors 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form Sixteenth Modern American Authors it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains American Studies

The Critical Reception of Howard Nemerov Bowie Duncan, 1971 This book comprehensively examines Howard Nemerov's literary legacy through a curated selection of critical essays and reviews The collection delves into various aspects of Nemerov's poetry and prose highlighting his thematic concerns stylistic innovations and contributions to American literature Additionally the book features an extensive bibliography spanning pages 145 to 211 which meticulously catalogs Nemerov's published works providing valuable resources for scholars and enthusiasts alike

The Critical Reception of the Poetry of Edwin Arlington Robinson Alice Lucille Cody, 1948 *The Publishers Weekly*, 1888

E. E. Cummings, the Critical Reception Lloyd N. Dendinger, 1981
