Nurturing A Childs Soul

Elizabeth Clare Prophet

Nurturing A Child's Soul:

Nurturing Your Child's Soul Timothy Jones, 2006-09-03 Many of us worry about our kids getting pulled under by our culture's negative currents. We try to shout over the roar of media blitzes, misguided values in the schools, and peer pressure. And we wonder how to raise faithful children. For parents who sometimes feel they haven't done enough, Jones provides ideas for taking small steps toward communication and intimacy, showing you how to take advantage of teachable moments by fully focusing on the present.

Nurturing Your Baby's Soul Elizabeth Clare Prophet, 1998 A fascinating, mind-opening, heart-opening book flooded with inspiration, hope, and encouragement. Any prospective parent or guardian can benefit deeply from reading *Nurturing Your Baby's Soul* and the touching stories it contains. HUGH PRATHER, author of *Spiritual Notes to Myself*, coauthor of *Spiritual Parenting*. Is there anything you can do to increase your child's potential before he or she is born? *Nurturing Your Baby's Soul* offers incredible insights into the inner life of the unborn child. And it gives practical spiritual techniques and meditations you can use to help develop your baby's unique gifts. This inspiring guide for spiritual parenting reveals how you can bond and communicate with your baby's soul before birth and even before conception. Prepare yourself spiritually for parenting. Improve your relationships and spiritualize your marriage. Help your child reach his highest potential and fulfill his life's mission. Practice prayer, meditation, and affirmations for the conception and protection of that special soul you want to bring into your life. Use sound music and art to transform the body, mind, and soul of your unborn child. Includes charts, illustrations, recommended music selections, meditations, visualizations, and affirmations. *The Soul of the Child*

Michael Gurian, 2002-11-01 With *The Wonder of Girls* and *The Wonder of Boys*, bestselling author Michael Gurian presented his groundbreaking views of parenting. Now with the same breadth of vision and depth of commitment, he combines accessible analysis of cutting-edge science with the study of spiritual texts to explore the divine side of childhood and to put forth a practical design for the care of our children's souls. A revolutionary vision for parents and educators alike, indeed for all who love children. *The Soul of the Child* is a deft blend of inspiring stories, common sense, and scientific observations that demonstrates what the soul is and how it works. This insightful and groundbreaking book urges its readers to become aware of our children's divine inheritance and learn how to nurture that divinity. Sensible and informed, it shows how to protect childhood from the complexities of our age and provides, as no book ever has, the means for bestowing upon our children the gifts of compassion, security, discipline, humility, and enlightenment. *The Soul of the Child* is a passionate and practical book that puts forth a finely wrought argument for greater attention to the spiritual side of childhood, to the very life of the human soul. And it couldn't have come at a better time.

Nurturing the Souls of Our Children Thomas F. Geary, Bonnie L. Geary, 2002 *Nurturing the Souls of Our Children* proposes that psychologically and spiritually balanced parents are best equipped to relate more deeply and joyfully to the uniqueness of their children. This is nurturing the soul. It is what children today need more than anything else. Based on their experience as parents, as church ministers, and as professional counselors.

for over 25 years Dr Thomas Geary and his wife Bonnie are well qualified to integrate the psychological with the spiritual Their book offers hope to frequently overwhelmed and confused parents searching for values and guidelines in an increasingly materialistic society Their suggestions are clothed in practical humorous and touching stories reflective of the real world where families live
