the price is knowing that he will never grow old That he will never contract a disease an infection or even a cold That because he will never die he must surrender the right to live For Dr Russell Pearce the price is eternal suspicion He appreciates what synthesizing the elixir vitae from the Immortal s genetic makeup could mean for humankind He also fears what will happen should Cartwright s miraculous blood fall into the wrong hands For the wealthy and powerful no price is too great Immortality is now a fact rather than a dream But the only way to achieve it is to own it exclusively And that means hunting down and caging the elusive Cartwright or one of his offspring
