

Prayers for scientists

Lord God, we ask for Your favor upon all scientists everywhere. As they strive to make new discoveries and find solutions to the problems we face, please grant them knowledge, direction, and safety. May the fruits of their labor bless the world and exalt Your name.

Through Christ our Lord.

AMEN

Science And Prayer 1893:

Science and Prayer W. W. Kinsley,2014-03 This Is A New Release Of The Original 1893 Edition *Science and Prayer* William Wirt Kinsley,1893 *The ^ALife of Prayer in a World of Science* Rick Ostrander,2000-11-02 By the end of the 19th century the ascendance of a naturalistic worldview had made it increasingly difficult for many educated Christians to believe in a God who intervened in the natural world At the same time many in the emerging middle class culture saw themselves as too busy to practice the rigorous devotions of their ancestors In this book Rick Ostrander explores the attempts of American Protestants to articulate a convincing and satisfying ethic of prayer in these changing circumstances Ostrander shows that in response to the assault on petitionary prayer by naturalistic scientists American Evangelicals articulated a highly supernatural ethic of prayer and co opted the scientific method to defend their stance recording and cataloging numerous answers to prayer as empirical proof of prayer s efficacy Liberal Protestants on the other hand with their desire to adapt to modern thought gradually abandoned traditional belief in petitionary prayer The debate about the efficacy of petitionary prayer and other alternative therapies in mental and physical healing has taken on new vigor today this timely and engagingly written work not only chronicles the history of that debate but serves to illuminate the issues that are at stake
