Deep Calls Unto Deep Matthew Robert Payne, 2017-03-28 Open the pages of this little book to read 14 questions and their answers on the life of a prophet Matthew developed this book after a propheticess reached out to him with these questions As he recorded the answer to each query he decided to collect his thoughts into a book Katrina sought out Matthew from a deep place within her heart to a deep place within his heart She asked him some common questions and some other questions that aren't so common What followed was 14 voice recordings that were eventually transcribed and made into this book for other aspiring prophets and propheticesses on their journey Learn more about Why your friends don't take you seriously as a prophet Why people misunderstand you How you can be called as a prophet yet no one recognizes you How losing your friends draws you closer to God Read about each of these topics and more The life of a prophet can be a hard and challenging road As you dive into this book you will find that your journey is not unusual and that what you are experiencing is quite normal You will find hope in these pages Matthew felt that Katrina's call for answers might be a catalyst for you and your decision to pursue God with vigor Press Buy Now and Jump into the deep end where deep really does call to deep **101**
