## Shattered Mask:

Shattered Masks Lyman A. Montgomery III, 2011-08-26 In today's world image is everything. Imagine navigating through childhood and your adult life carrying the baggage of being bullied or called a sissy because you were unable to stand up for yourself. Lyman Montgomery lived that life and suffered great and consistent losses. Before age of 14 he was sexually abused by a trusted teacher and experienced the death of two of his grandparents, one of which took her own life. Lyman kept silent about his abuse, avoided dealing with the grief of his father's death by never mentioning him, associated with people who were better off financially, developed unhealthy relationships with women, performed as others expected, used accomplishments to feel better about himself, and projected a religious lifestyle that was not rooted in righteousness. **Shattered Masks: 7 Masks We Wear** is an autobiographical account of how masks are made in a young person's life. It is also a self-study to help you identify the mask makers in your life and to shatter the masks you've grown accustomed to wearing. **The Shattered Mask** Richard Lee Byers, 2010-04-21 When Shamur Uskevren, the matriarch of one of Sembia's oldest and most powerful merchant families, is tricked by an angry wizard into an assassination attempt on her own husband, her family is thrown into turmoil. Once the truth is discovered, she and her husband must struggle to save their family and stop the sorcerer. But in her anger, she has forgotten one thing in the world of intrigue and deception of shadows and lies: that is Sembia, nothing is ever what it seems. Rista falls unconscious amid the turmoil, and when she next opens her eyes, she finds herself in a distorted version of Gaeabrande. Here humans and demons have joined forces against a much greater foe, forging alliances as bizarre as Rosalie Roseguard and Chaos Machina. Nothing makes sense anymore, so why not double down on the madness? In order to save the spirit world, Seiya is summoned once again, and this time his base of operations will be the underworld. **John Dryden and Prose Fiction** Amanda Mae Ellis, 1929
