Necessary Changes:

Necessary Changes Preston Williams II, Dr. Preston Williams, II, 2009-06 *Necessary Changes* is an extraordinary parallel of nature's seasons and purposes with those experienced by mankind. As a Twenty First Century voice of hope and inspiration, the author has penned a poetically inspiring, philosophically balanced, and theologically sound book of wisdom. It is an intimate invitation to the reader to embark on a healing journey of sorts through the four cyclical seasons that we all must experience to reshape our thought life for maximum living. Dr. Williams, with punchy prose and interesting personal stories, takes the mystery of life and places it into proper perspective. Hence, you're able to identify why you are where you are in life while simultaneously discovering the real you, the hidden person of the heart. It eloquently challenges, humbles, and lifts the human spirit for the pursuit of purpose and the intentional, methodical process of change. In short, *Necessary Changes* is a thought-provoking book of wisdom that prepares individuals to confront the rapid and complex challenges and transformations in life that are apparent in the Twenty First Century.

Necessary Changes Mary Kay McComas, 2014-04-22 Sometimes it takes half a lifetime to realize the one you love was there all along. Young Livy Hubbard and Brian Carowack meet on the playground in Telford, Tennessee, in 1956. Livy is cocooned in a world of wealth and privilege; Brian comes from a broken home and grows up poor. The years pass, and they go their separate ways. Livy goes to an Ivy League university where she becomes an active part of the groundbreaking sixties. Brian goes to college on a basketball scholarship, only to drop out sophomore year. In spite of their divergent lives, they always stay in touch. And then, one fateful day, their parallel worlds come together again. A novel that journeys across three decades from Tennessee to California to New York, *Necessary Changes* is about friendship, second chances, and becoming older and wiser. It is about the decisions that shape our lives and about the courage to change both ourselves and the future. This ebook features an extended biography of Mary Kay McComas. **Federal Register**, 1993
