To stripe a surface serves to distinguish it to point it out to oppose it or associate it with another surface and thus to classify
it to keep an eye on it to verify it even to censor it Throughout the ages the stripe has made its mark in mysterious ways
From prisoners uniforms to tailored suits a street sign to a set of sheets Pablo Picasso to Saint Joseph stripes have always
made a bold statement But the boundary that separates the good stripe from the bad is often blurred Why for instance were
stripes associated with the devil during the Middle Ages How did stripes come to symbolize freedom and unity after the
American and French revolutions When did the stripe become a standard in men s fashion In the stripe writes author Michel
Pastoureau there is something that resists enclosure within systems So before putting on that necktie or waving your country
