September Swoon:

In the Game Amy Bass, 2005-08-20 Talking about race and sports almost always leads to trouble Rush Limbaugh's stint as an NFL commentator came to an abrupt end when he made off-handed comments about black quarterback Donovan McNabb Cincinnati Reds owner Marge Schott and CBS commentator Jimmy The Greek Snyder also landed in hot water for public remarks that most people construed as racist Ask a simple question along these lines Why do African Americans dominate the NBA and watch the sparks fly It is precisely this flashpoint that Amy Bass seeks to explore Sports wield a tremendous amount of cultural power in the United States and around the world and often influence our ideas about race In the Game is a collection of essays by top thinkers on race that survey this treacherous terrain They engage topics like boxer Joe Louis's iconic status during the Jim Crow era how blacks shaped the NFL in the 1970s American Indian sports team mascots and soccer in Argentina

The Year of the Blue Snow Mel Marmer, Bill Nowlin, Clem Comly, James Forr, Russ Lake, Len Levin, 2013-07 Catcher Gus Triandos dubbed the Philadelphia Phillies 1964 season the year of the blue snow a rare thing that happens once in a great while The Phillies were having a spectacular season in which everything was going right They held a 6 1 2 game lead at the conclusion of play on September 20 With just 12 games to play they seemingly had it made But the Cincinnati Reds and St Louis Cardinals never gave up and when the Phillies lost ten consecutive games it became a thrilling pennant race for Cardinals and Reds fans but a horrific collapse for Phillies fanatics But wait a minute When it was seemingly too late the Phillies finally won a game and the first place Cardinals lost two games to the lowly New York Mets so on the last day of the season there was the distinct possibility of a three way tie for first place It would have been a first in baseball history On the final day of the season the Phillies beat the Reds handily 10 0 All eyes and ears were fixed on the Mets Cardinals game Could the Mets knock off the first place Cardinals for a third straight game The Mets carried a 3 2 lead into the bottom of the fifth inning but finally succumbed 11 5 But what a season for Phillies fans Jim Bunning had thrown the first perfect game in the last 84 years of NL history The hero of the 1964 All Star Game was the team's right fielder Johnny Callison who brought the National League victory with the third walk off home run in the history of the All Star Game The team also boasted the electrifying NL Rookie of the Year the team's slugging third baseman Richie Allen later called Dick Allen St Louis won the pennant and went on to beat the Yankees in the World Series But in Philadelphia the 64 campaign left an ache that lasted for years The 1964 Phillies not only lost the pennant but following 1964 they got steadily worse This book sheds light on the facts for the reader to determine answers to lingering questions they may still have about the Phillies team in the 1964 season but any book about a team is really about the players A collaborative effort by 37 members of the Society for American Baseball Research SABR this work offers life stories of all the players and others managers coaches owners and broadcasters associated with this star crossed team as well as essays of analysis and historical recaps Includes Foreword by Mel Marmer Introduction by Mel Marmer Opening Day 1964 Dick Allen
