The Sergeants' Tale Bernice Rubens, 2004 1947 One year before the Israeli War of Independence and Palestine is still under the British Mandate However young Israelis are flocking to the leadership of Menachim Begin and his Irgun terrorist movement in an attempt to overthrow their rulers Two British sergeants are kidnapped by the Irgun They will be executed unless there is a widespread amnesty for the Irgun freedom fighters and so begins a hunt throughout Jerusalem Tel Aviv and the whole of Palestine to find and liberate the two innocent young men Based on a true story THE SERGEANTS TALE illuminates an historical episode and also has enormous contemporary poignancy *A Hard Place, a Sergeants Tale, Revised Edition* Jacamo Peterson, 2012-06-04 The story of combat in South Vietnam Republic of with the men of a small unit known as a Mobile Reaction or Mike Force Operating out of the Chu Lai base camp on the coast of South Vietnam between Danang to the north and Cam Rhon Bay to the south Home to the 23rd Infantry Division Americal the 75th Rangers and other support units Their missions took place in the northern provinces which were dubbed by the military as the 1st Combat Tactical Zone 1CTZ From Rosemary s Point at Chu Lai to Da Nang to the Tuy Lon River and the White Mountains across the Hai Van Pass to Phu Bai Quang Tri City and on to the DMZ They were both recon and striker unit sometimes just looking for intell sometimes attacking and sometimes being attacked Often deployed to reinforce a small camp or firebase Sometimes working as convoy security Mostly it was just HOT Life for them was either base camp boring or boonie rat intense in full battle rattle sweat soaked sneakin in the bush Living on salt pills nasty tasting water and even worse tasting rations Often assigned missions to locate or capture specific targets All of their missions were both classified and clandestine Even their existence was denied As much as possible their movements were hidden or camouflaged within larger unit operations and movements

**Tales of the Field** John Van Maanen, 2011-07 Once upon a time ethnographers returning from the field simply sat down shuffled their note cards and wrote up their descriptions of the exotic and quaint customs they had observed Today scholars in all disciplines are realizing how their research is presented is at least as important as what is presented Questions of voice style and audience the classic issues of rhetoric have come to the forefront in academic circles John Van Maanen an experienced ethnographer of modern organizational structures is one who believes that the real work begins when he returns to his office with cartons of notes and tapes In *Tales of the Field* he offers readers a survey of the narrative conventions associated with writing about culture and an analysis of the strengths and weaknesses of various styles He introduces first the matter of fact realistic report of classical ethnography then the self absorbed confessional tale of the participant observer and finally the dramatic vignette of the new impressionistic style He also considers more briefly literary tales jointly told tales and the theoretically focused formal and critical tales Van Maanen illustrates his discussion of each style with excerpts from his own work on the police *Tales of the Field* offers an informal readable and lighthearted treatment of the rhetorical devices used to present the results of fieldwork Though Van Maanen argues ultimately for the validity of

revealing the self while representing a culture he is sensitive to the differing methods and aims of sociology and anthropology His goal is not to establish one true way to write ethnography but rather to make ethnographers of all varieties examine their assumptions about what constitutes a truthful cultural portrait and select consciously and carefully the voice most appropriate for their tales Written with grace and humor Tales of the Field will be an invaluable introduction to novices just learning the fieldwork trade and provocative stimulant to veteran ethnographers Engaging and well written H Ottenheimer Choice
