**Jesus Becoming Jesus, Volume 2** Thomas G. Weinandy, 2021-03-26 Jesus Becoming Jesus Volume 2 A Theological Interpretation of the Gospel of John Prologue and the Book of Signs follows upon the first volume of this series entitled Jesus Becoming Jesus The first volume was a theological interpretation of the Gospels of Matthew Mark and Luke Unlike many conventional biblical commentaries Weinandy concentrates on the theological content contained within John's Gospel He does this in the light of the Church's doctrinal and theological tradition particularly in keeping with the Second Vatican Council's Dogmatic Constitution Dei Verbum This is accomplished through a close reading of John's Gospel theologically interpreting each chapter of the Gospel sequentially In so doing he also takes into account the Johannine corpus as a whole He also relates John's Gospel to relevant material found within the Synoptic Gospels the Pauline Corpus and other New Testament writings This original theological interpretation focuses primarily on the intertwining theological themes contained within John's Gospel specifically within the Prologue and the Book of Signs light and darkness the seven miracle signs the sacraments of baptism and the Eucharist the seven I Am sayings the contentious dialogues with the Jews Jesus relationship to his Father as the Father's incarnate Word and Son etc Within all of these interlocking themes one finds the importance of Jesus saving actions the salvific works of his Father The overarching theme of this book as the title suggests is that Jesus being named Jesus throughout his public ministry is enacting his name and so becoming who he is YHWH Saves Weinandy offers a singular vibrant and luminous reading of John's Gospel one that reveals the Evangelist's theological depth and doctrinal sophistication In so doing Weinandy makes manifest the particular beauty of the Gospel According to John

The Stratified Leadership Model of the First-Century Christian Church Barton S. Garratt Edsall, 2025-07-29 This research work aims to present a solution to the problem of withering Christian congregations present in modern Christian churches by way of expounding the doctrine that Jesus or his apostles promoted as displayed in the four canonical Gospels the Acts of the Apostles or the New Testament epistles This study presents factual information showing that the doctrine and arrangement of leaders that developed within the first century church may have been overlooked and lost by the wayside of history in favor of established traditions Paul declared his purpose for visiting the church believers in Rome was not to collect money or build houses of worship but so that their lives might manifest spiritual fruit Following that example improving the spiritual quality of their people's lives should be the primary goal of all Christian ministers The majority of this work will conduct a careful exegesis of selected passages from the New Testament which focus on the leadership model utilized by the first century church This study presents in detail the stratified leadership model of the early times in such a fashion that any modern church might replicate its design

**Sent by Jesus** Angela Crudupt, 2015-05-28 As Christians God uses our experience and even our pain to develop our purpose in Him strengthen the Church and glorify His Kingdom When we face tragedies like physical sexual mental or verbal abuse life threatening illnesses death of a loved one single parenthood failed

marriages broken relationships imprisonment or other unfavorable circumstances we assume we are in an isolated unique situation If left unchecked our emotions can cause us to become bitter judgmental and spiritually lost Instead of bringing people to Christ by overcoming our challenges and allowing our testimony to strengthen others we begin to operate in destructive behavior which not only hinder our spiritual maturity but those around us as well Out of ignorance not fully understanding the Healing Saving and Miracle working power available to us through Jesus Christ we can easily spiral downward Instead of using our experience to glorify God who has already planned to bring us out and strengthen and support each other in our common challenges too often we take destructive actions we accept abuse or become abusive diminish our self worth become gossipers and complainers vow to never love again disconnect emotionally dismiss our family become a distraction in our church post attention seeking comments and images on social media entertain thoughts of suicide or give up on our future goals purpose and Jesus altogether But the story of our struggles and challenges doesn't have to take such a destructive path By holding ourselves accountable using the power of the Holy Spirit given to us and elevating ourselves to a higher level in Jesus Christ we can operate in the calling God has given us make disciples strengthen the Church and build His Kingdom the purpose which is found in being Sent by Jesus
