Serpent Catch David Farland, 2014-05-04 Book 2 of the Serpent Catch series Long ago Earth's paleobiologists established the planet Anee as a vast storehouse of extinct species each continent home to life forms of a different era For a thousand years the starfarers great sea serpents formed a wall of teeth and flesh that protected Smilodon Bay from the ravaging dinosaurs that swam across the ocean from Hotland Now the serpents are gone and Anee is being ravaged by tyranny war and slavery Tull son to a human father and a Neanderthal mother feels doomed to toil his life away as a common field hand but his mission becomes clear when he takes action to save his homeland Tull must seek a distant river in the slave nation of Craal where young serpents can be found Legend has it that Adjonai the Neanderthal god of terror is king of Craal Yet only by facing this dark enemy can Tull hope to bring home his serpent catch alive Originally published under the name Dave Wolverton *Serpent Catch* Dave Wolverton, 1991 In order to save his homeland Tull must find the great sea serpents and bring one of them back alive but he must first pass through enemy territory **Twilight Rising, Serpent's Dream** Diana Marcellas, 2007-04-01 The young shari a witch Brierley once thought that she was the last of her kind powerful witches who lived in peace and harmony using their powers for good Only the women of her people had the gift and they ruled wisely and well Her people had flourished for millennia guided by the elemental beings who embodied the very forces of nature and who could tame the world But then the fierce Allemani people came from beyond the sea Newly settled in the land they at first dwelt in peace with the shari a But trust turned to hate and the fear that the Allemani had for the witches soon boiled over into genocide The Allemani decimated the shari a out of fear of their differences And so Briarly hid in the shadows keeping her healing powers a secret but she was compelled to use them when necessary and these actions caused her to be discovered When she was forced to flee the only home she had ever known she did not go alone for she had captured the heart Duke Melfallan and though he is Allemani he vows to attempt to change the Law condemning any shari a to death because he has come to know that the shari a are not monsters and they can bring a great joy to the world As she makes her way out into the world to hide while Melfallan fights to save her Brierley discovers that she is not the last of her kind That there are many like her who managed to stay in the shadows generations of shari a who have kept quiet hid their powers and have waited And that not all of whom share Brierley's good heart The time of reckoning is at hand the forces that the shari a once controlled are being summoned once more and Brierley finds that the hatred that fueled the Allemani ages past is still very much alive Will Brierley have to sacrifice her life and that of her unborn child to save an entire world and make things right for her people [Spider Woman Stories](#) G.
