

The Cosmic Egg. Eggs are universal symbols of creation, birth, rebirth, the moon and the goddess. They are often seen in conjunction with the serpent or snake. The goddess birthed both the snake and the egg from her body and they floated on the waters of chaos. By wrapping herself around the egg, the snake broke it open, and from it hatched all the forms of the universe. In this illustration, the egg is shown entwined with a spiral serpent, representing Time as the boundary of the created world.
