

Mary Wollstonecraft Shelley

Mary Wollstonecraft Shelley

Mary Wollstonecraft Shelley:

Mary Wollstonecraft Shelley Betty T. Bennett, 1998-11-30 In this book Betty T Bennett revises and expands the introduction she wrote for Pickering and Chatto's eight volume set *The Novels and Selected Works of Mary Shelley* This introduction constitutes her first full critical consideration of the breadth of Mary Shelley's career and familiarizes readers with the often neglected realistic works that followed in the wake of *Frankenstein* 1818 **Mary Wollstonecraft Shelley's *Frankenstein, Or, The Modern Prometheus*** Mary Wollstonecraft Shelley, Susan J. Wolfson, 2007 Contains the complete text of Shelley's key work supplemented by annotations and followed by contextual materials that reveal the conversations and controversies of its historical moment **Mary Wollstonecraft Shelley Selections** Mary Wollstonecraft Shelley, 2011-05 *Mary Wollstonecraft Shelley 1797-1851* the author of *Frankenstein or The Modern Prometheus* 1817 and the wife of Percy Bysshe Shelley came from a family of William Goodwin anarchist philosopher writer and atheist dissenter This volume introduces our readers to other important and innovative works of Mary Shelley her science fiction book *The Last Man* with its apocalyptic overtones a short novel *Mathilda* an autobiographical approach to the issue of incest and two plays

Tales and Stories by Mary Wollstonecraft Shelley Mary Shelley, 2016-04-30 From the INTRODUCTION IT is customary to regard Mary Shelley's claims to literary distinction as so entirely rooted and grounded in her husband's as to constitute a merely parasitic growth upon his fame It may be unreservedly admitted that her association with Shelley and her care of his writings and memory after his death are the strongest of her titles to remembrance It is further undeniable that the most original of her works is also that which betrays the strongest traces of his influence *Frankenstein* was written when her brain magnetized by his companionship was capable of an effort never to be repeated But if the frame of mind which engendered and sustained the work was created by Shelley the conception was not his and the diction is dissimilar to his Both derive from Godwin but neither is Godwin's The same observation except for an occasional phrase caught from Shelley applies to all her subsequent work The frequent exaltation of spirit the ideality and romance may well have been Shelley's the general style of execution neither repeats nor resembles him Mary Shelley's voice then is not to die away as a mere echo of her illustrious husband's She has the prima facie claim to a hearing due to every writer who can assert the possession of a distinctive individuality and if originality be once conceded to *Frankenstein* as in all equity it must none will dispute the validity of a title to fame grounded on such a work It has solved the question itself it is famous It is full of faults venial in an author of nineteen but apart from the wild grandeur of the conception it has that which even the maturity of mere talent never attains the insight of genius which looks below the appearances of things and perhaps even reverses its own first conception by the discovery of some underlying truth Mary Shelley's original intention was probably that which would alone have occurred to most writers in her place She meant to paint *Frankenstein's* monstrous creation as an object of unmitigated horror The perception that he was an object of intense compassion as well imparted a moral value to what otherwise would

have remained a daring flight of imagination It has done more it has helped to create if it did not itself beget a type of personage unknown to ancient fiction The conception of a character at once justly execrable and truly pitiable is altogether modern Richard the Third and Caliban make some approach towards it but the former is too self sufficing in his valour and his villainy to be deeply pitied and the latter too senseless and brutal Victor Hugo has made himself the laureate of pathetic deformity but much of his work is a conscious or unconscious variation on the original theme of Frankenstein None of Mary Shelley s subsequent romances approached Frankenstein in power and popularity The reason may be summed up in a word Languor After the death of her infant son in 1819 she could never again command the energy which had carried her so vigorously through Frankenstein Except in one instance her work did not really interest her Her heart is not in it Valperga contains many passages of exquisite beauty but it was as the authoress herself says a child of mighty slow growth laboriously dug Shelley adds out of a hundred old chronicles and wants the fire of imagination which alone could have interpenetrated the mass and fused its diverse ingredients into a satisfying whole Of the later novels The Last Man excepted it is needless to speak save for the autobiographic interest with which Professor Dowden s fortunate discovery has informed the hitherto slighted pages of Lodore But The Last Man demands great attention for it is not only a work of far higher merit than commonly admitted but of all her works the most characteristic of the authoress

The Life and Letters of Mary Wollstonecraft Shelley Mary Wollstonecraft Shelley, 2014-05-03 This collection of literature attempts to compile many of the classic timeless works that have stood the test of time and offer them at a reduced affordable price in an attractive volume so that everyone can enjoy them

Selected Letters of Mary Wollstonecraft Shelley Mary Wollstonecraft Shelley, 1995 The letters of Mary Wollstonecraft Shelley reveal a remarkable woman living in a remarkable age They date from October 1814 shortly after her elopement with Percy Bysshe Shelley through September 1850 five months before her death Her correspondents names are familiar Shelley himself Byron Bulwer Lytton Disraeli General Lafayette Sir Walter Scott and the letters abound with anecdotes about such eminent figures as her parents William Godwin and Mary Wollstonecraft Keats Washington Irving and Charles and Mary Lamb Publication of the widely acclaimed three volume edition of Mary Shelley s letters was completed in 1988 containing all 1 276 of her known extant letters Now Betty T Bennett has selected 230 of those letters to give an overview of Mary Shelley s life as she was seeing it living it and recording it Bennett also includes an introductory essay that sketches a portrait of Mary Shelley her world and her place in the history of literature and letters

Frankenstein Mary Wollstonecraft Shelley Mary Shelley, 2016-12-02 Frankenstein or The Modern Prometheus is a novel written by English author Mary Shelley that tells the story of Victor Frankenstein a young scientist who creates a grotesque but sapient creature in an unorthodox scientific experiment Shelley started writing the story when she was 18 and the first edition of the novel was published anonymously in London in 1818 when she was 20 Her name first appeared on the second edition published in France in 1823

The Letters of Mary Wollstonecraft Shelley: "A part of

the elect." Mary Wollstonecraft Shelley, 1980 *Mary Wollstonecraft Shelley, Collection Novels* Mary Wollstonecraft, Mary Wollstonecraft Shelley, 2014-06-25 Mary Shelley Wollstonecraft 1797 1851 was an English novelist short story writer dramatist essayist biographer and travel writer best known for her Gothic novel *Frankenstein or The Modern Prometheus* 1818 She also edited and promoted the works of her husband the Romantic poet and philosopher Percy Bysshe Shelley *Frankenstein or The Modern Prometheus* is a novel written by English author Mary Shelley about eccentric scientist Victor Frankenstein who creates a grotesque creature in an unorthodox scientific experiment Shelley started writing the story when she was eighteen and the novel was published when she was twenty The first edition was published anonymously in London in 1818 Shelley's name appears on the second edition published in France in 1823 In this book *Frankenstein or The Modern Prometheus* The last Man Mathilda Notes to the Complete Poetical Works of Percy Bysshe Shelley **The Heir of Mondolfo** Mary Shelley, 2018-08-12 *The Heir of Mondolfo* by Mary Shelley Mary Shelley nee Mary Wollstonecraft Godwin often known as Mary Wollstonecraft Shelley was a British novelist short story writer dramatist essayist biographer travel writer and editor of the works of her husband Romantic poet and philosopher Percy Bysshe Shelley She was the daughter of the political philosopher William Godwin and the writer philosopher and feminist Mary Wollstonecraft Mary Shelley was taken seriously as a writer in her own lifetime though reviewers often missed the political edge to her novels After her death however she was chiefly remembered only as the wife of Percy Bysshe Shelley and as the author of *Frankenstein* It was not until 1989 when Emily Sunstein published her prizewinning biography *Mary Shelley Romance and Reality* that a full length scholarly biography analyzing all of Shelley's letters journals and works within their historical context was published The well meaning attempts of Mary Shelley's son and daughter in law to Victorianise her memory through the censoring of letters and biographical material contributed to a perception of Mary Shelley as a more conventional less reformist figure than her works suggest Her own timid omissions from Percy Shelley's works and her quiet avoidance of public controversy in the later years of her life added to this impression The eclipse of Mary Shelley's reputation as a novelist and biographer meant that until the last thirty years most of her works remained out of print obstructing a larger view of her achievement She was seen as a one novel author if that In recent decades however the republication of almost all her writings has stimulated a new recognition of its value Her voracious reading habits and intensive study revealed in her journals and letters and reflected in her works is now better appreciated Shelley's recognition of herself as an author has also been recognized after Percy's death she wrote about her authorial ambitions I think that I can maintain myself and there is something inspiring in the idea Scholars now consider Mary Shelley to be a major Romantic figure significant for her literary achievement and her political voice as a woman and a liberal We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our

view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience Mary Wollstonecraft Shelley Harold Bloom,2009

Presents a collection of critical essays on Mary Shelley and her works and includes a chronology of events in the author's life

Daughter of Earth and Water: a Biography of Mary Wollstonecraft Shelley Noel Bertram Gerson,2017-09-28 This is a story of love and of genius Of faith and of rebellion Mary Wollstonecraft was fifteen when in 1813 she met the poet Percy Bysshe Shelley A disciple of Mary's famous father the philosopher William Godwin her mother was the great feminist Mary Wollstonecraft Shelley himself was only twenty though he was married and soon to be a father Mary and Shelley fell in love the next summer and several months later they ran away together Thus began one of the most tragic poignant and in all respects brilliant relationships between a woman and a man that has ever been recorded Shelley went on writing the poetry that was to make him one of the immortals And Mary as the result of a contest to see who could produce the best tale of the supernatural wrote the classic *Frankenstein* She was nineteen when she completed *Frankenstein* which was at first published anonymously because of the prejudice at the time against female writers Though they married in 1816 following the suicide of Shelley's wife Mary and Shelley were for all their time together considered scandalous for their behaviour in fact they were both quite prudish and disapproved for example of the celebrated sexual exploits of their friend Lord Byron Their lives were dogged by tragedy suicide in both families the early deaths of their first two children and finally the death by drowning of Percy Bysshe Shelley at the age of twenty nine Mary Shelley was one of the most remarkable and celebrated women of her time and for all her happiness with her husband life was not kind to her But she never went under and her story is touching real inspiring Noel Bertram Gerson 1913 1988 was a prolific American author who wrote 325 books under his own name and under several pseudonyms He channelled his own wartime experience in military intelligence into many of his novels as well as writing widely about American history His titles include *Liner The Conqueror's Wife The Great Rogue A Biography of Captain John Smith and I ll Storm Hell A Novel of Mad Anthony Wayne* Endeavour Press is the UK's leading independent digital publisher For more information on our titles please sign up to our newsletter at www.endeavourpress.com Each week you will receive updates on free and discounted ebooks Follow us on Twitter EndeavourPress and on Facebook via <http://on.fb.me/1HweQV7> We are always interested in hearing from our readers Endeavour Press believes that the future is now

Frankenstein Mary Shelley, *Frankenstein* escrita por Mary Shelley y publicada en 1818 cuenta la historia de Victor Frankenstein un joven cientíco que impulsado por la ambición y el deseo de desafiar los límites de la ciencia crea una criatura a partir de cuerpos de cadáveres Su experimento culmina con la vida de un ser que desafía a las leyes de la naturaleza

y la muerte pero horrorizado por su propia creaci n Victor rechaza a la criatura dej ndola sola y sin gu a en un mundo que la teme y la rechaza por su apariencia monstruosa

The Life and Letters of Mary Wollstonecraft Shelley (Volume 1) Mary Shelley, 2016-11-16 The first volume of Shelley s letters introduces us to her personality and thoughts and offers an intimate look into the English literary world as it stood at the beginning of the 19th century It is through her voluminous letters and correspondences that we gain an intimate insight into Shelley s mental processes opinions and outlook on life Attempts were made by Shelley s son to censor and tone down her stark attitudes so that she may be better accepted into the Victorian culture which fostered and grew her reputation These letters are however produced without abridgment allowing the reader a glimpse into the thoughts of one of the era s finest literary women Revered as the author of the timeless horror novel Frankenstein Mary Shelley would privately express frustrations at this single book eclipsing her other efforts in both fiction and non fiction She also possessed political views which she made pains to express via her written works and was dismayed that most leading critics of the day either ignored or simply missed these references in her fiction Although the odds were stacked against Mary Shelley from her earliest years simply because of her gender a fact which she was all too aware her letters demonstrate a determination and strength of spirit Her correspondences with Percy in particular evidence a soul capable of passions great and bold while several of her views on emancipation and individual liberty were startlingly ahead of their time Biographical annotations by Florence Ashton Marshall are situated between many of the letters within this book These explain what events transpired between the individual letters letting the reader better follow what Shelley alludes and refers to Thus this collection of Shelley s letters is immensely readable absorbing and insightful *The Letters of Mary W. Shelley* Mary Wollstonecraft Shelley, 1946

Frankenstein; Or, the Modern Prometheus Mary Shelley, 2018-05-14 Frankenstein or The Modern Prometheus is a novel written by English author Mary Shelley 1797 1851 that tells the story of Victor Frankenstein a young scientist who creates a grotesque but sapient creature in an unorthodox scientific experiment Shelley started writing the story when she was 18 and the first edition of the novel was published anonymously in London on 1 January 1818 when she was 20 1 Her name first appeared on the second edition published in France in 1823
