## **Magic Barrel:**

**The Magic Barrel** Bernard Malamud, 2003 A collection of thirteen short fiction stories set in New York and Italy by twentieth century American author Bernard Malamud

**The Magic Barrel** Bernard Malamud, 1980 *Material Culture and Jewish Thought in America* Ken Koltun-Fromm, 2010-04-21 How Jews think about and work with objects is the subject of this fascinating study of the interplay between material culture and Jewish thought Ken Koltun Fromm draws from philosophy cultural studies literature psychology film and photography to portray the vibrancy and richness of Jewish practice in America His analyses of Mordecai Kaplan s obsession with journal writing Joseph Soloveitchik s urban religion Abraham Joshua Heschel s fascination with objects in The Sabbath and material identity in the works of Anzia Yezierska Cynthia Ozick Bernard Malamud and Philip Roth as well as Jewish images on the covers of Lilith magazine and in the Jazz Singer films offer a groundbreaking approach to an understanding of modern Jewish thought and its relation to American culture

*Ethnic Identities in Bernard Malamud's Fiction* Martín Urdiales Shaw, 2000 The present study has been divided into five general chapters each of which is centred around a basic issue related to ethnic identities This central issue may be more or less specific largely depending on its nature and on the corpus it comprises for example chapter two which bears the general title the old country and the New World is naturally the most extensive because of the great scope of this theme and the number of works it involves two novels and a considerable number of stories including the very long Man in the Drawer By contrast the last chapter entitled Beyond Race into Myth Seeking the Liberation of the Self is logically the shortest because its focus is restricted to a particular function of ethnic identities metaphorically speaking in Malamud s fantastic works the novel God s Grace and one short story Similar proportions between length complexity of theme and corpus treated are maintained in the three central chapters which focus on ethnic aspects which are neither as general as chapter two nor as specific as chapter six

**The Bible in the American Short Story** Lesleigh Cushing Stahlberg, Peter S. Hawkins, 2017-11-02 The Bible in the American Short Story examines Biblical influences in the post World War II American short story In a series of accessible chapters Lesleigh Cushing Stahlberg and Peter S Hawkins offer close readings of short stories by leading contemporary writers such as Flannery O Connor Allegra Goodman Tobias Wolff and Kirstin Valdez Quade that highlight the biblical passages that they reference Exploring episodes from the Hebrew Bible and the New Testament and both Jewish and Christian heritages this book is an important contribution to understanding the influence of the Bible in contemporary literature

**Beyond the Gray Flannel Suit** David Castronovo, 2004-09-01 Discusses the major literary works of the 1950s which introduced new forms and dealt with such controversial topics as racial discrimination religious differences and social class

Conversations with Bernard Malamud Bernard Malamud, 1991 During his teaching career Bernard Malamud taught both creative writing and literature courses and indicated that he almost never taught his own works since an author cannot dictate the total meaning of his work to a classroom He was consistently reluctant in interviews

as well to explain his fiction He valued imaginative interpretations whether I agree with them or not He rejected the notion that there was a correct interpretation of his work *Short Story Index* Dorothy Elizabeth Cook,1960 **Bernard Malamud** Rita Nathalie Kosofsky,1991 The Magic Barrel ; Idiots First ,1978 Commercial America ,1916 Wood Craft ,1907 **Short Story Index: 1955-1958** ,1960 Local Series South Africa.
