## **Rewedded Bliss:**

*Rewedded Bliss* Davidyne Mayleas,1977-11-07      *Helen of Troy* Ruby Blondell,2013-04-04 Ancient Greek culture is pervaded by a profound ambivalence regarding female beauty It is an awe inspiring supremely desirable gift from the gods essential to the perpetuation of a man s name through reproduction yet it also grants women terrifying power over men posing a threat inseparable from its allure The myth of Helen is the central site in which the ancient Greeks expressed and reworked their culture s anxieties about erotic desire Despite the passage of three millennia contemporary culture remains almost obsessively preoccupied with all the power and danger of female beauty and sexuality that Helen still represents Yet Helen the embodiment of these concerns for our purported cultural ancestors has been little studied from this perspective Such issues are also central to contemporary feminist thought Helen of Troy engages with the ancient origins of the persistent anxiety about female beauty focusing on this key figure from ancient Greek culture in a way that both extends our understanding of that culture and provides a useful perspective for reconsidering aspects of our own Moving from Homer and Hesiod to Sappho Aeschylus and Euripides Ruby Blondell offers a fresh examination of the paradoxes and ambiguities that Helen embodies In addition to literary sources Blondell considers the archaeological record which contains evidence of Helen s role as a cult figure worshipped by maidens and newlyweds The result is a compelling new interpretation of this alluring figure      [Promises to Keep](#) David Popenoe,Jean Bethke Elshtain,David Blankenhorn,1996 This collection of essays by prominent lawyers theologians social scientists policy makers and activists examines the reasons why the once treasured institution of marriage has been steadily displaced by a culture of divorce and unwed parenthood Promises to Keep presents the full text of The Council on Families in America s 1995 investigation Marriage in America A Report to the Nation and the contributors provide suggestions for marital resurrection to counteract trends that have created tragic hardships for children generated poverty within families and burdened us with insupportable social costs Sponsored by The Institute for American Values      **Divorce With Decency** Bradley A. Coates,2004-01-01 Coates is managing partner of the largest divorce law firm in Hawai i and founder of Divorce with Decency a low cost divorce mediation clinic His text is intended to provide an overview of issues for individuals considering divorce so that they can take an educated approach when working with a hired counselor lawyer or other specialist The r      *Strangers in the House* William R. Beer,1989-01-01 If present trends in divorce and remarriage continue before the end of the century the stepfamily will outnumber all other types of family in the United States In 1980 one out of five children under the age of eight were living in stepfamilies and there were at least two million households in which the children were relation only by marriage stepsiblings or who shared only one parent in common half siblings How are these new kinds of family relationships working out In particular how are children faring in these kinds of families There are a number of books on the successes and difficulties of second marriages that involve children but most of these look at problems from the perspective of one or both spouses Popular literature in particular had emphasized the

problem of the new spouse who inherits a family without really focusing on the relationships among stepsiblings Strangers in the House focuses on the children of these marriages both stepsiblings and half siblings and the relationships among them with the parents It is a report on how they are faring drawn from the results of original research by the author case studies of stepfamilies interviews with stepsiblings and half siblings a survey of members of the Stepfamily Association of America and participation in three step family self help groups The result is a vivid portrait of nontraditional family constellations that provides an overview of changes in American families the increased divorce and remarriage rates and how stepfamilies differ from other families Beer identifies major problem areas in stepsibling relations and shows how youngsters are adapting to these special situations He examines classic rivalries over love attention space and property shows how these are worked out within these special circumstances The book concludes with an overview of the dynamics of sibling relations in these special families and analyzes how the stepsibling subsystem fits into the larger family structure Beer shows that in many respects the problems of these families characterize changes in the social structure in postindustrial society It Seemed Like Nothing Happened Peter N. Carroll,1990 A compelling and persuasive challenge to the journalistic characterization of the 70s as the Me Decade Ruth Rosen University of California Davis This is the single best book on the 1970s Leo Ribuffo George Washington University In this unique comprehensive history of the 1970s we learn about international developments the war in Cambodia Nixon s trip to China the oil embargo and resulting gas shortage the Mayaguez incident the Camp David accords the Iranian capture of the U S embassy and the taking of hostages the ill fated rescue mission All this signaled a decline in American power and influence We also learn about domestic politics Kent State the Pentagon Papers Haynsworth and Carswell the Eagleton affair the rise of ticket splitting inflation recession unemployment Watergate Agnew s resignation the Saturday night massacre Nixon s resignation the pardon for draft evaders Proposition 13 the politicization of organized religion the conservative shift in the Democratic Party and the Reagan electoral landslide Carroll reminds us of tragedies and occasional moments of levity bringing up the names Patricia Hearst George Jackson and Angela Davis Wilbur Mills and the Argentina Firecracker Wayne Hays and Elizabeth Ray Harvey Milk and Mayor George Moscone **Social Casework** ,1979 The Single Parent ,1978 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1979 The Ocean of Story Somadeva Bhatṭa,Norman Mosley Penzer,1925 Social Work ,1980 New York ,1978-04 **The Good Stepmother** Karen Savage,Patricia Adams,1989-12 **Mental Health-psychiatric Nursing** Ruth Parmelee Rawlins,Sophonra R. Williams,1984 **Midlife Divorce as a Status Passage** Elizabeth Cauhapé,1980 *Contemporary Social Welfare* Winifred Bell,1987 *A Guide for the Family Therapist* Patricia A. Boyer,1994-07-01 This work is a primer for mental health professionals who work with families Boyer and Jeffrey share their ideas techniques and experiences They recognise and borrow from the rich contributions and clinical work of well known and skilled family therapists to offer a workable approach to dealing with problems in family relationships **Stepping Into Stepparenting** Larry C. Jensen,Janet

Mitchell Jensen,1981  
70s ,1981

**How to Find Another Husband--by Someone who Did** Rusty Rothman,1985
