The Importance of Common Metrics for Advancing Social Science Theory and Research National Research Council, Division of Behavioral and Social Sciences and Education, Committee on Social Science Evidence for Use, Committee on Advancing Social Science Theory: The Importance of Common Metrics, 2011-04-17 In February 2010 the National Research Council convened a workshop to investigate the feasibility of developing well grounded common metrics to advance behavioral and social science research both in terms of advancing the development of theory and increasing the utility of research for policy and practice The Workshop on Advancing Social Science Theory The Importance of Common Metrics had three goals To examine the benefits and costs involved in moving from metric diversity to greater standardization both in terms of advancing the development of theory and increasing the utility of research for policy and practice To consider whether a set of criteria can be developed for understanding when the measurement of a particular construct is ready to be standardized To explore how the research community can foster a move toward standardization when it appears warranted This book is a summary of the two days of presentations and discussions that took place during the workshop

Adult and Lifelong Education Marcella Milana, John Holford, Vida Mohorčič Špolar, 2017-10-02 *Adult and Lifelong Education* explores why politicians researchers and practitioners involved in educating post school young people and adults have quietly abandoned the term education in favour of learning Bringing together contributions from experienced as well as younger scholars and from Europe North America and Australasia it draws on global national and local perspectives to reveal key features of adult education s policy environment At the book s heart are three main concerns First what is the spatial reach of these developments and what processes of fluidity and fixity emerge Second does increased state and international recognition of civil society s role in adult education and learning help to voice grass roots learning needs for individuals and communities Or does it create new patterns of dependency and domestication Finally given the growing culture of monitoring and the investment of money time and attention which international organizations national governments and research institutes around the world are making in gathering information on people s skills and knowledge and how they use them what is happening when literacy numeracy and problem solving abilities are tested How is this knowledge used and abused in various policy environments and who benefits The book is an outcome of the work of the European Society for the Research on the Education of Adults ESREA Research Network on Policy Studies in Adult Education s inaugural conference held at the University of Nottingham in 2012

This book was originally published as a special issue of *Globalisation Societies and Education* Low skilled take their qualifications "one step up" Paolo Federighi, Francesca Torlone, 2010 Adult learning is recognized as a key component of lifelong learning and Member States are required to remove barriers to participation to increase overall quality and efficiency in adult learning to speed up the process of validation and recognition and to ensure sufficient investment in and monitoring of the field European Commission 2006 2007 European Parliament 2008 European Council 2008 It is unanimously recognized that adult learning can play a pivotal role in meeting the goals of the Lisbon Strategy by fostering social cohesion providing citizens with the skills required to find new jobs and helping Europe to better respond to the challenges of globalisation Such needs are taken into consideration in this Volume where the main issues faced are related to what 33 European countries have been doing in order to raise the skills levels of low skilled workers address the problem of the high number of early school leavers combat social exclusion ensure the efficiency effectiveness quality of adult learning

Educational Research and Innovation Computers and the Future of Skill Demand Elliott Stuart W., 2017-10-27 Computer scientists are working on reproducing all human skills using artificial intelligence machine learning and robotics Unsurprisingly then many people worry that these advances will dramatically change work skills in the years ahead and perhaps leave many workers unemployable Educating Your Patient with Diabetes Katie Weinger, Catherine A. Carver, 2008-10-22 Diabetes affects an estimated 20 million people in the United States with many people remaining unaware that they suffer from the disease While the number of diabetics continues to rise the number of caregivers who specialize in diabetes treatment does not In *Educating Your Patient with Diabetes* Katie Weinger and Catherine Carver assemble commentary from a panel of leading diabetes practitioners and researchers and put together a highly readable guide to supplying patients with diabetes with the information and ability to successfully cope with their disease The authors and editors provide substantive data on successful models of diabetes education and the process of educating diabetes sufferers Additional chapters discuss diabetes in pregnancy the challenge of weight and diabetes management in clinical practice and diabetes education in geriatric populations Timely and accessible *Educating Your Patient with Diabetes* is a must have for all diabetes educators physician assistants nurses and endocrinologists who endeavor to support their patients diabetes self care efforts and help them maximize the opportunities for patient learning *Reading Instruction for the Adult Illiterate* Edward V. Jones, 1981 **Routledge Library Editions: Adult Education** Various Authors, 2021-07-14 Against a background of profound worldwide social and economic change the concept of lifelong learning has come increasingly into the public eye As educators and policy makers rethink the meaning of education the purpose of schooling and the place of learning in our everyday lives educational institutions are opening up to those traditionally deprived of the opportunity The books in this set originally published between 1979 and 1992 including global case studies reflect upon major issues confronting adult educators worldwide and discuss the role of adult education in social and community action examine the relationship

between class and adult education look at the concept of culture and the transmission of cultural values in relations to adult education evaluate the role of adult education in reducing unemployment

Bringing Community to the Adult ESL Classroom Clarena Larrotta, Ann K. Brooks, 2009-04-06 Using the concept of community building as a framework this volume summarizes and updates readers on the state of adult English as a second language ESL education in the United States It provides a complete description of this population of learners and their learning needs The various chapters discuss possibilities for community building in the adult ESL classroom combining research theory and practice Community building is not a new topic we often discuss it informally with our colleagues and students However scant written material exists with a focus on adult ESL documenting how it happens or reconciling theory with practitioners experiences In this volume several practitioners and researchers explain the ways in which they use community building principles in adult ESL settings The authors descriptions of applications of community building principles can help other adult educators implement these ideas in their teaching practice This is the 121st volume of the Jossey Bass quarterly report series New Directions for Adult and Continuing Education Noted for its depth of coverage New Directions for Adult and Continuing Education is an indispensable series that explores issues of common interest to instructors administrators counselors and policymakers in a broad range of adult and continuing education settings such as colleges and universities extension programs businesses libraries and museums

International Encyclopedia of Adult Education and Training Albert Tuijnman, 1996 This Encyclopedia deals with the financing and organization of adult education and continuing vocational training throughout the world The volume provides extensive coverage of lifespan development cognition adult learning and theories and methods for the teaching of adults both now and in the future Adult education and continuing vocational training are no longer considered as two separate fields and their merge has provoked increased attention on theories and practice with particular focus on human resource development This new edition draws on articles in *The International Encyclopedia of Education 2nd Edition* described by Choice as being a premier resource when judged on virtually every criteria applied to a reference work all articles have been revised and updated Adult education has undergone tremendous changes over the past decade not only has expenditure and participation increased at a global level but the field itself has also matured Continuing vocational education and workplace learning have assumed increased significance and as a result several new topics for research on adult education have emerged The many changes in the field are reflected in this volume The entries will not only cover the important concepts and definitions in the field but offer a disciplinary perspective on its development
